

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB SINCE 1908

Making Our Club Better

01 July 2017

Dear Members,

The clubs Annual General Meeting is approaching fast, being on Sunday 23 July 2017.

The club is looking to its membership to help make it better, not that it is bad or broken but it needs an injection of new members on the committee and new ideas. The current committee is hard working and is dedicated to the club, but needs some assistance to make it run better and spread the load.

So, what are we looking for,

- New people on the committee
- New ideas and enthusiasm for
 - Surf Sports – IRB Racing, Pool Rescue, Revitalise the Beach Team, Develop Water Competition, Continue growing the Boat Fraternity
 - Fund Raising – Build on the great work of departing Vice-President
 - Social Activities – Revitalise Friday Night Drinks, Season Kick-off Events, New Year's Eve at the Surf Club, 110 years celebration
 - Youth Activities – events catering for U/14 to U/18
 - Community Education
 - Retaining Members – what makes members want to stay in the club?
- People with experience in managing people
- People with experience in financial management

If you can help, please complete the nomination forms attached. If you have any questions, please give myself or any of the club executive a call to discuss.

Looking forward to your help in "Making Our Club Better".

With Thanks,

Steven
