## **86th ANNUAL REPORT & FINANCIAL STATEMENTS 1992/93**

# HELENSBURGH - STANWELL PARK

## SURF LIFE SAVING CLUB

### 86th ANNUAL REPORT

#### MEMBERS

The 86th Annual Report is submitted herewith for your consideration and adoption. The report covers activities during the Clubs 85th year, and includes financial statements for the year ended 31 May 1993.

Highlights of the year -

- \* No lives lost on Stanwell Park beach whilst Club patrols were on duty.
- \* Celebration of our 85th Anniversary with a Cabaret/dinner in February 1993.
- \* Hosting of the Illawarra Branch IRB Championships, May 1993.
- \* Club Meeting Room and Photograph gallery completed.
- \* Entrance to Club house improved, and Club name displayed on building.
- \* Continuing financial support from the local community.

Of course, anyone who believes that Annual Reports only portray good news lives in "fairy land" and for every highlight, we must be prepared to accept there is also a downfall. As you read their reports, you will find several Club officers have highlighted problems, and these will need to be addressed by the incoming Committee.

Undoubtedly, the most serious matter was a patrol default which as well as being a safety issue, cost the Club the honour of winning the B.H.P. Patrol Efficiency Competition, something which has been strived for for some years.

This Annual Report concludes the last season in a decade - the ten year period from the end of our 75th year to our 85th year. The Club has seen many changes in that time, but three of the more significant ones that come quickly to mind -

- \* Less rescues, hopefully suggesting we are patrolling better, and using modern technology to achieve better results.
- \* More patrol members but of a younger average age.
- \* The Club house completed and officially opened, after a seven year construction programme.

Selecting a cover photograph for the Annual Report this year was difficult, so we opted for a simple "Why we are here" scene - the beach patrol area from the Radio/observation room.

Harley Dregghorn  
SECRETARY

18 July 1993

## ACKNOWLEDGMENTS - OUR DONORS

---

A review of the Club's financial affairs over the past few years shows just how generous our donors and sponsors are.

This year our total donations were recorded as \$10281.45, a little lower than in the previous season.

Our major donor was Helensburgh Workmens Club. Thank you to the Board of Directors for approving firstly a cash donation of \$1,000.00 to assist in the purchase of a new Ambu-manikin for ARC training, and secondly for allowing the Surf Club to run the Anzac Day Two-up Game; \$420.00 was raised from this venture.

To the patrons of the Workmens Club, thank you also for your support on Anzac Day.

Life Savers Appeal Day saw another large contribution made by local residents. When an amount of \$4,633.35 is collected in a few hours it shows just how generous the local people are. Thank you for your support.

Thanks to the assistance of a number of patrol sponsors, our patrol members were able to be easily identified on the beach with Surf Patrol tee shirts. Our sponsors this season were -

Helensburgh Smash Repairs  
Helensburgh BP Service Station  
J & E Burke of Heathcote  
Engadine Music and Computer Centre  
Ron Kissell Family Meats, Heathcote  
Steve Beaufils, Solicitor of Helensburgh  
Helensburgh Concrete and Pebble  
Trambridge Corporation  
Clancys of Helensburgh  
Advance Painting Services, Helensburgh  
Rubys Revival Cafe of Stanwell Park

On behalf of the patrol members, thank you to the above sponsors.

Thanks to the Metropolitan Colliery Mine Workers Federation for your donation of \$1,400.00 to the Junior Section of the Club. It was very much appreciated.

The Club hosted a Tooheys sponsored carnival, with Tooheys providing a subsidy of \$1500.00 to run the carnival.

The Burglars Golf Club and Helensburgh Bowling and Recreation Club again organised a Golf Day, and for their efforts and assistance in fund raising, we extend our sincere thanks, especially to Boo Burke and his fellow golfers.

The Natural Gas Company sponsored one hole at the Golf Day, providing a cash donation to the Surf Club. Clyde Engineering also supported the day and donated prizes. Our thanks to these two sponsors for support.

The Surf Club hosted the Railways Combined Control Centre Social Club Christmas Party with almost 200 of their members in attendance. At the end of the day, a donation of \$250.00 was left with the Club, as well as a very large cheque for food and drinks consumed during the day. Thank you for your donation and support.

Thank you to the Centennial Hotel, Helensburgh who provided further support to the Club this year by sponsoring the IRB competitive team with Club jackets at a subsidised cost.

To Jim Ryan, thank you for your support with beer deliveries.

To B.H.P. Steel, thank you for again supporting the Illawarra Branch Patrol Efficiency Competition, from which the Club received a number of pairs of patrol shorts.

To Rubys Revival Cafe, thank you for having a donation box in your store for our Club.

To Dick Pavet, thank you for your donation of various games for the Junior Group members.

To members attending the Old Boys Reunion, thanks for your donations which will be used to keep our first aid room well stocked and in a first class condition.

## **ACKNOWLEDGMENTS - OUR DONORS**

---

The Australian Government provided a cash grant of \$175.00 towards IRB operational costs. Thank you to the Australian Government.

Thank you to the many Club members who made personal donations during the year. These include Paul Dunford, Sid Sampson, Greg Doherty and Ron Griffiths.

To the Sea Eels, thank you for the donation of \$200.00 which has been put towards the purchase of a video player.

To the many others who have helped the Surf Club financially and in kind this year, the Surf Club extends its sincere thanks.

---

## **PRESIDENTS REPORT**

Firstly, my congratulations to all the members who fulfilled their patrol obligations with 100% attendance. Ensuring that no lives were lost at Stanwell Park beach during rostered patrol hours, helped make our 85th Anniversary Year highly successful.

To Mark Thompson, congratulations on a great inaugural year as Club Captain.

The Club was well represented at the carnivals and did exceptionally well at the Branch Championships, picking up three Gold Medals, one of which Graham Murdoch won in the Open Beach Sprint - our very first in this event. Well done Graham.

To all the competitors, thank you for showing the Club colours in true spirit. Many thanks to our Ladies auxiliary for all your help in making our carnivals and Club functions run smoothly.

In closing, I would like to take this opportunity in thanking my fellow Executive members for their time and effort in making it a great season.

Finally to Harley Dreghorn, speaking on behalf of the Club, congratulations and thank you for your dedication and service in your 14 years as Club Secretary.

**Geoff Wood,  
PRESIDENT**

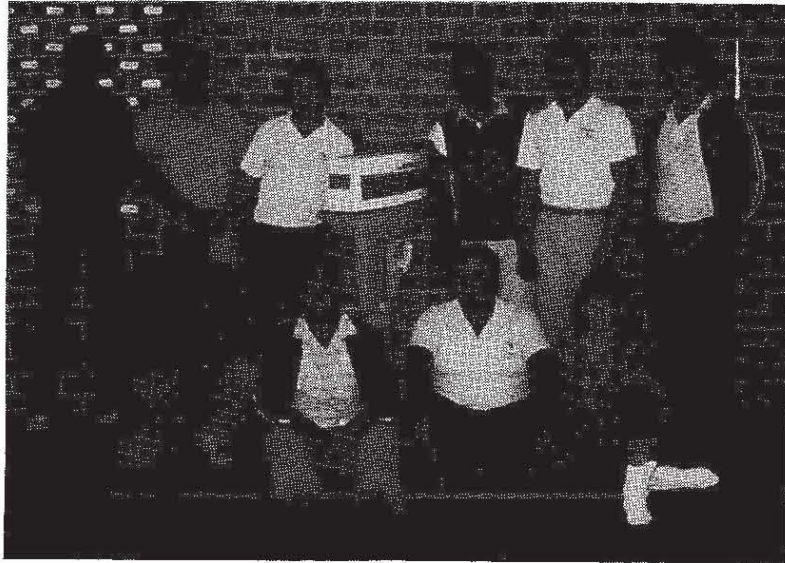

---

## **CLUB OBJECTIVES**

- \* To provide a community service in protecting the public at Stanwell Park beach.
  - \* To provide training facilities for members and new members in life saving techniques.
  - \* To foster competition among members.
  - \* To provide social activities for members.
-

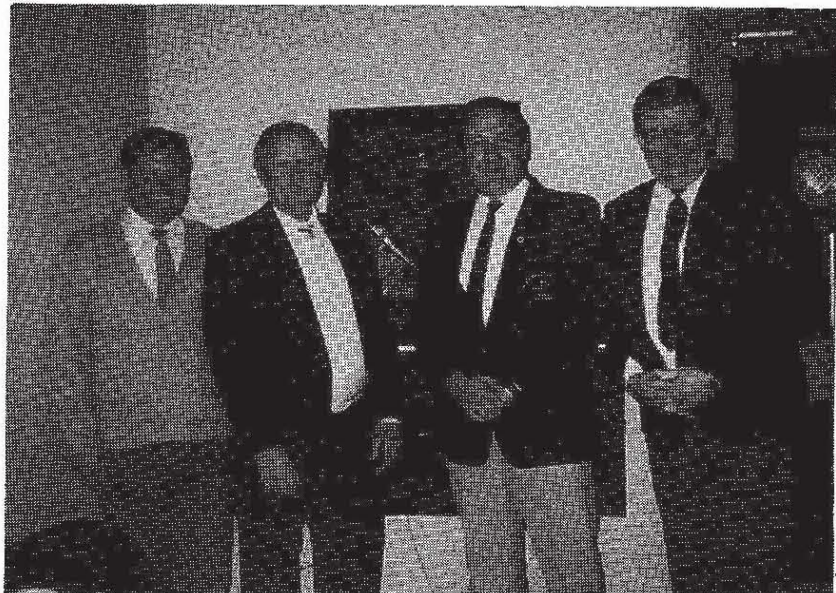

## TEN YEARS OF MAJOR DONORS

**1989**

Helensburgh Workmens Club donated an IRB and an Ambu-manikin for training.  
HWC President Frank Krinks congratulates Club President Don Harris.

**1988**

A & J Hanna Plumbing of Helensburgh donated an IRB.  
Jan Hanna christens the craft

**1991**

David Brown Gear Industries Ltd of Bulli, donated two IRB motors.  
Managing Director Ron Griffiths is presented with a plaque by Club President Geoff Wood

# LIFE SAVING & PATROLS

---

## CLUB CAPTAINS REPORT

Another season has come to an end and I would like to take this opportunity to thank all of our members on their efforts in patrolling the beach, a job well done.

This season saw 49 active members gain 100% patrol attendance. To these members a top effort. Next season I would like to see a few more gain this award.

Congratulations to Simon Harris on winning the Patrol Member of the Year. Simon put in many hours on the beach, showing he is a very dedicated patrol member.

Congratulations also to Patrol 8 on winning the Patrol Competition.

Sunday morning point scores this season saw a big roll up each Sunday with some hard fought races. Congratulations to those members who gained places in the point score and Club championships.

In closing, I would like to thank Scott Boyle for his assistance in running patrols, Melanie Hall for organising patrol paper work and Don Burke for his assistance on Club championship day. Thanks also to the Committee of the Club for on-going support.

**Mark Thompson**  
**CLUB CAPTAIN**

---

## PATROL STATISTICS

11 patrols average 8 members in each  
97 active members at end of season  
21 cadets at end of season  
85 proficient members at end of season  
32 average hours per patrol member  
49 members attended 100% patrols  
11 Saturdays patrolled 10.00am to 2.00pm.  
38 Sundays and public holidays  
patrolled from 9.00am to 5.00pm,  
or from 9.30am to 5.30pm (daylight saving)

## RESCUE EQUIPMENT

Two IRBs  
Three IRB motors  
Six rescue boards  
Three surf reels  
Five rescue tubes  
Two oxy vivas  
Three UHF radios  
First aid equipment  
Approximate value \$25,000.00

---

## RESCUES, FIRST AID ETC

- \* 10 rescues
- \* 16 cases of stings, etc
- \* 14 other cases of first aid
- \* 125 people requested to swim within the flags as a preventative measure

## EQUIPMENT DISPOSED OF

Two IRB motors, since replaced with new motors.

# LIFE SAVING & PATROLS

---

## GEAR INSPECTION

Club equipment was presented for inspection by Illawarra Branch officers prior to the commencement of the season.

Branch officers again complimented the Club on having well maintained and presented equipment.

Special thanks to the members who worked to bring the equipment to good condition.

## PATROL DEFAULT

On Saturday 9 January 1993, only two proficient members were on patrol, instead of the minimum of three. As a result the Club Executive was required to meet with the Illawarra Branch Board of Life Saving Control Executive to show cause why the Club should not be suspended from competition. At the conclusion of the hearing, the Club was "fined" 100 points in the BHP Patrol Efficiency Competition.

This was a very disheartening result, which cost the Club dearly in prestige as the "top" Club in the Branch, as well as considerable dollars in prize money.

The members concerned were suitably spoken to by the Club Captain regarding their failure to attend for patrols.

## CLUB PATROL COMPETITION

The Club Patrol Competition this season was based on attendance for patrols, the number of members of a patrol proficient, and completion of log books.

## BRANCH PATROL COMPETITION

Despite a general improvement in performance over the last few years, to achieve 2nd placing in 1991/92, the Club was placed 4th this season with a loss of points. A patrol default (see above) when only two members were signed on for patrol resulted in a deduction of 100 points, which effectively cost the Club 1st placing.

## IRB CAPTAINS REPORT

The past season has had its ups and downs. On the patrol side, it was a quiet time with no major rescues or disasters. I was pleased to see an increased involvement by members taking care of the IRB and motors.

I must make mention that I am disappointed that not one member attempted to gain the IRB Drivers Certificate this season considering the number of active members within the Club. This Club needs as many drivers as possible, once members have gained their MSB licence, it only takes about six to eight weeks training.

On the other side, the Club has had a very good competitive season with seven medals gained at the Branch titles and a very good 7th placing at the State titles in the Tube Rescue event.

The State titles was a story in itself - 15 minutes before the first event we were down to one motor. So to get to the final was a fitting reward to all of the team members.

I would like to thank everyone for their assistance during the season, and would like to make a note of special thanks to the Centennial Hotel Helensburgh for their assistance in the purchase of competition jackets for the team members.

**Mark Ryan**  
**IRB CAPTAIN**

# INSTRUCTION & AWARDS

---

## CHIEF INSTRUCTOR'S REPORT

This concludes another successful season with 38 awards being obtained by new and old Club members, a very good effort.

The season started favourably with a meeting of members interested in obtaining life saving awards. This meeting resulted in a number of squads being formed for both Surf Life Saving Certificates and Bronze Medallions. All that was lacking was the necessary number of willing instructors.

Thanks to the consistent efforts of Jeff Lucke, Don Harris, Peter McDonald, Mark Thompson, Steven Connor, Bill Haran, Peter Turner, Hector Thompson and James Powell, the candidates were more than competently instructed in all facets of surf life saving.

Dave Winner in his role of District Supervisor played a significant part in helping members gain their awards. Dave witnessed swim tests, conducted Part A of the exam, provided direction where needed and encouragement to struggling members and ran very efficient exams.

This season 64 Club members successfully completed the annual proficiency test in what could be described as less than ideal conditions. Other members subsequently became proficient during the season. Despite constant emphasis on the importance of being proficient many members are failing to take the test which is now the standard for all life savers wishing to patrol. Next season should see a change in this attitude with more pre-test training.

Proficiency was also due for ARC holders with 12 being retrained and tested in Air-bag techniques and patient care and assessment. With thanks to Bobo and Jeff for their assistance, four ARC awards have been gained. This is an important award which is a must for all patrolling life savers to obtain.

Thanks to everyone who contributed to training and instruction during the season.

# INTER-CLUB COMPETITION

---

## TEAM MANAGERS REPORT

This season saw a vast improvement in the number of members taking part in inter-Club competition.

It was great to see the number of red, white and blue caps gracing the carnival arena.

Throughout the season, the competitors and officials ran fund raising events, one being a rugby league grand final day and the other a Christmas BBQ for an S.R.A. social club. Money raised was used towards Club jackets for the Australian Championships for competitors and officials who had participated at carnivals on a regular basis.

Congratulations to Simon Harris who was rewarded for his hard training by being selected in the Under 18 Illawarra Branch Team.

Graham Murdoch made Club history by being the first Helensburgh-Stanwell Park competitor to win the Illawarra Open Beach Sprint.

In the board riding area, Karl Herrmann proved to be a fierce competitor, going on to win the Under 18 Branch Board Riding Event.

At State level a team of approximately 20 members flew the flag for the Club with some notable achievements.

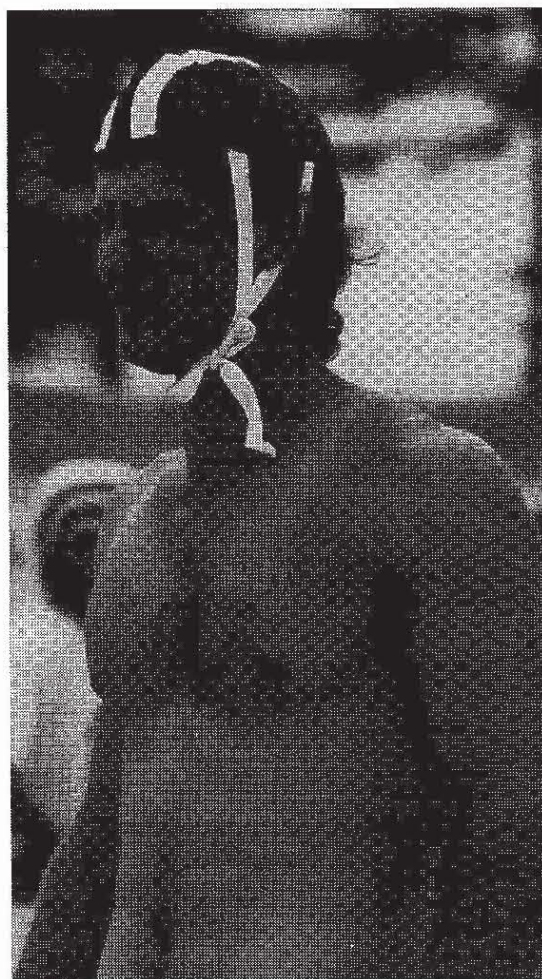

Simon Harris showed he had a big future in flags by gaining 5th place in the Under 18 Beach Flags. Christine McDonald without hardly any training and a lot of natural ability gained 6th position in the Under 18 Womens Flags; with a bit more training, she should be within medal contention next year.

The Club sent a touring team to the Australian Championships in Kurrawa, Qld, where our best competitor was Graham Murdoch who reached the quarter finals in the Open Beach Sprint.

Our IRB team had a big season by coming 3rd in the overall pointscore in front of a home crowd at the Branch titles. At State level the "B" grade tube rescue team consisting of Craig Major, Luke Walsh and Carly Lawrence made it through to the final to end up placed 7th.

Finally a big thank you must go to Peter McDonald who spent hours doing carnival entry forms, Matt White for coordinating the fund raising and last of all the supporters of our fine Club.

**Don Burke**

## NOMINEES FOR ILLAWARRA BRANCH AWARDS

Patrol Member of the Year, Simon Harris, Club Member of the Year Steven Connor, and Peter McDonald, last seasons Club Member of the Year were nominated for consideration as Illawarra Life Saver of the Year. In the Junior Section, James Potter was nominated for consideration as Illawarra Junior Life Saver of the Year.

Peter McDonald was selected in the final six in this prestigious competition.

## VALE

During the year, Cec Jardine, Phil Anger, Keith Mills and Hal Williamson passed on. There may have been others of which the Surf Club is not aware.

To the families of our past members, we extend our sincere condolences.

# ADMINISTRATION

---

## COMMITTEE MEETINGS

Again meetings have been poorly attended, despite efforts to convene them on days to suit the majority of Committee members. Several meetings were cancelled because of lack of a quorum, with business being dealt with by the Club Executive.

As mentioned in the previous Annual Report, an 85th Anniversary Committee was formed under the chairmanship of Bobo White to plan and run special functions during the 85th year. The Committee took over planning for the Cabaret/dinner, the end result being an attendance of 260 members and friends at this gala event.

## ELECTION OF OFFICE BEARERS

Advance nominations were again called for positions on the Club Management Committee. During the year, there were no resignations or changes to office bearers.

## INCORPORATION

Although formal application was made for incorporation of the Club immediately prior to the end of the 1991/92 season, the application was not progressed when it became obvious that Committee meetings were unlikely to be held regularly in accordance with the Club Rules. This is now an urgent issue that must be addressed by the incoming Committee.

## CLUB RULES

No changes were made or sought to the Rules, Regulations and By-laws during the season.

At this time, the Club Rules are available for perusal by members on request. In accordance with an earlier Minute recorded at a Committee meeting, it is necessary that the Rules be exhibited within the Club house where members can peruse them.

## TRAINEE OFFICERS

This project was not progressed during the season; it ideally requires the services of a member of the Club Executive to set up and run.

## THE PARK BENCH

The monthly Club newsletter has continued, although only seven issues were printed during the year. Circulation has been extended to include the families of the Junior Section.

## PUBLICITY & COMMUNITY RELATIONS

As an organisation which seeks and obtains a great deal of financial support from the local community, it is imperative that every possible effort be made to promote the Club.

For the first time this season, the opportunity was taken to distribute a Report to the Community, an abridged two page version of our Annual Report. From feedback received, many local residents were pleased to receive the report which gave them a better understanding of the Surf Club as a community organisation and not only a sporting body.

## CLUBHOUSE

The Club building as reported in previous Reports, has now reached the stage where some tender-loving-care is necessary to bring the inside back up to a high standard.

Considerable work is required to the downstairs area, in the showers and amenities, whilst the main hall, kitchen and amenities require many odd jobs to be completed.

The 1st floor has been turned into a meeting room and photo gallery showing many years of history in one room. Thanks to Peter McDonald for his printing and photo framing skills, and Lorna Dreghorn for her curtain making skills, these valuable photographs are now well protected.

## CLUB TRADING

Similar to previous years, a separate account has been operated for the Club's trading activities, principally for the sale of soft drinks and other refreshments to members. At the end of the year, a cash surplus of \$9,000.00 was transferred to the Club's general account.

# ADMINISTRATION

---

## FINANCE & FUND RAISING

The Finance Committee was again active in controlling the Club's finances. Our main source of income continued to be donations and sponsorship, supplemented by the Club's trading activities. Fortnightly raffles were introduced during the summer period, and were well supported by Club members.

At the start of the year, the Finance Committee considered a number of requests for funds from various Club officers. With some discretion, most of the requests were endorsed and subsequently approved by the Management Committee. Additional competitive equipment has been acquired, the Club's name placed on the building, and the front entrance to the Club house improved.

Over the year however, there was a fall in end-of-year bank balances from around the \$20,700.00 mark to \$15,000.00.

## DISCIPLINARY MATTERS

The Club Executive was asked to appear before the Branch Board of Life Saving Control to answer a complaint that there were insufficient patrol members on duty on 9 January 1993. For this the Club was "fined" 100 points in the Illawarra Branch B.H.P. Patrol Efficiency Competition.

The Club Captain formally warned the members of the offending patrol of their obligations whilst one member who had missed that patrol and an earlier patrol to attend carnivals, was required to undertake a number of penalty patrols.

The Club Captain also directed other members to undertake additional patrols when they neglected to attend rostered patrols whilst attending carnivals.

Following the Australian Championships, the Executive Committee investigated a series of complaints about the behaviour of a number of members whilst part of the Club touring team. One member was formally warned, and other members spoken to regarding behaviour expected of them on future occasions.

## ILLAWARRA BRANCH INVOLVEMENT

The Club was affiliated with Surf Life Saving - Australia, through Illawarra Branch.

Jeff Lucke was elected Deputy Branch Superintendent, and a member of the Life Saver of the Year, Meritorious Awards, and Life Membership Committees.

Don Harris was elected as Patrol Director, and was also a member of the Finance and Judiciary Committees.

Evan Griffiths was again elected as State B.J.A. Superintendent.

Harley Dreghorn and Peter McDonald took on positions as Branch coordinators of the N.S.W. State Development Plan. Their role is to gather information from members on how they see Surf Life Saving - New South Wales developing over the next five to ten years.

## APPRECIATION

This has been my final year as Club Secretary, something which I have enjoyed doing because of the support and friendship shown by others.

I would like to thank everyone involved, but space does not permit. I particularly appreciated the help of the Executive Committee this season, and in case no one else mentions it, I believe Mark and Katrina Thompson deserve a special commendation for the combined effort they have put into the Club over the past two years.

Peter McDonald also deserves a special thank you for his personal assistance to me in many ways. As well as being Assistant Secretary, Branch Delegate and Junior Group Manager, Peter was the unofficial reporter for The Park Bench. I am sure there were arguments between Peter and his wife Sandra as to who held the unthankful job of being Chief Janitor of the Club house, and who was the assistant. Well done Pete, and thanks Sandra.

**Harley Dreghorn**  
**SECRETARY**

## JUNIOR GROUP

---

The Junior Group now in its third year is becoming stronger and stronger in numbers. This was quite noticeable at our annual Patrol Dinner when the majority of the younger members turned up in force. What is also noticeable, is the acceptance by the Senior Club of this important group and the way in which the Committee when organising functions and events, now cater for this age group. A good example of this was the 85th Anniversary Dinner.

Emphasis this season was to encourage more participation in competition at Club and Branch level. Although numbers did increase in the Club point score, local carnivals did not cater for our members.

The mid-week training on malibu boards proved very successful and a lot of confidence was gained from this training, the results will be more noticeable in the future. From the interest shown by our Junior Members a new malibu board was purchased for competition.

To commence the season, a sports evening was organised between the Junior and more senior members of the Club. The idea was to introduce members to each other in a relaxed atmosphere. This proved successful for both age groups and we thank the senior members for their attendance.

The Junior Members assisted on the annual Appeal Day and supported all other fund raising and Club activities. A bus trip to Jamberoo Recreation Park was once again well supported and a night at Canterbury Ice Skating Rink proved most enjoyable.

Open House on Friday nights fell a bit flat this season, mainly for two reasons, the first being the unavailability of an adult to supervise and secondly the inconsistency of the publication of The Park Bench to notify members of our activities. The Friday nights when activities were held, the teenagers did have an enjoyable time.

It is important to note that in the Club's request for donations from the Helensburgh Workmens Club this season, the theme of youth within our Club was put forward in a very professional and well documented manner. Although the donation from the Workmens Club was not substantial, possibly because it is hard to sell youth to a licensed Club of any nature, it is fitting to know that Junior Members are supported and recognised by our Surf Club.

Outside of organised activities it is pleasing to note that the teenagers do have the Surf Club to come to, and whether they are just lying on the beach, talking or surfing the friendship among them is very strong and it is a pleasure to be associated with them.

Club member Dick Pavet made a donation to the Junior Group and various games were purchased, also the Junior Activities Committee Seagulls donated games for use by our members.

In conclusion I would like to thank and congratulate all Junior Group members for their contribution to the Surf Club. Special mention must be made of Sandra McDonald for her support and contribution. Finally our last thank you to the senior members and Committee for their on-going support.

**Peter McDonald**  
**JUNIOR GROUP MANAGER**

## GENERAL ACTIVITIES

---

Club members arranged a Surf Club display at the Holy Cross School fete prior to the commencement of the season. Thanks to the efforts of Geoff Wood, Mark Thompson, Mark Ryan and Mark Wallace, this was a successful day.

The initiatives of the Club in forming a Junior Group to encourage higher membership retention of the Under 21 age group was written up in the NSW State B.J.A. Carnival programme.

Club member Luke Walsh was nominated to attend the 1993 Youth Development Camp and returned with a report full of many good ideas.

The Helensburgh Workmens Club golf club became involved with the Surf Club in running a memorial carnival for Phil Anger.

The 1992 Surf Club Re-union was held in the Club house, with Ian Kohlhardt as M.C. Speakers were Gil Grant, Jim Thorn and Mark Wallace. Frank O'Grady, probably our oldest member at 92 years attended.

A social day was held in conjunction with the Sydney Rugby League Grand Final, and a Christmas Party on

December. A major carnival was held on November, 1992.

The Annual Patrol Dinner was again a sit-down affair catered by members of the Ladies Committee, followed by hours of fun as Club members showed what great singers they were in front of the Karaoke machine.

The Sea Eels continued to run special dinners and Club members supported these functions. The Junior Section arranged a family disco and also a Walk-a-thon with proceeds from both going to the family of the late Mark Orrock.

The Club and our neighbouring club Coal Cliff were well represented at the Illawarra Branch Presentation Night, and received several accolades for turning up in force and being so supportive of our members.

Club members attended the Helensburgh Anzac Day Dawn Service for the first time as a Club group. Later in the day, Club members ran the Two-up Game at the Workmens Club.

Other activities this season have included the Annual Car Rally, and participation in most events organised by the Junior Section and Sea Eels.

## THE VALUE OF COMPETITION

There has been continual debate for as long as I can remember, over the benefit or harm as a result of competition in physical activities involving children. Having come from a large family of sport fanatics and having five children of my own involved in sport at various levels, I am certain that there is great value to be gained from participation in competition.

The value and benefit that the child gets depends on -

- \* how the competition is run.
- \* realistic expectations by the child and their parents.
- \* appropriate rewards for competing.
- \* an understanding of the worth of the activity.

Coming first can be a worthy aim for some children. Some children may never come first whilst in the younger age groups but they can improve their position and performance by being regular and persistent. The value in terms of physical exercise and stamina is often greater to the lower place-getters.

What should be remembered at all times is that -

**"Competition paces us towards Excellence"**

This is not just for the champions, but for every competitor. All activities have been designed to improve our knowledge and ability to cope with having fun and exercise on the beach and in the water as well as being of assistance to those who may need our help.

## HIGHLIGHTS OF THE SEASON

- \* Parent involvement on the beach, in the canteen, and at the State Carnival.
- \* A closer link with the senior section of the Club.
- \* The Canteen making a substantial profit.
- \* Patricia McCarthy making the State Team and doing so exceptionally well for New South Wales in Tasmania.
- \* 22 medals won at the Branch Titles.
- \* 10 medals won at the State Championships.

In our Club activities -

- \* 101 Junior members and 35 Sea Babies registered.
- \* there were 35 new memberships
- \* 88 Juniors successfully passed National awards
- \* 8 Under 14s gained their Surf Life Saving Certificate
- \* 72 Juniors gained their "S" badge
- \* 34 Juniors qualified for "Water" at carnivals
- \* 41 Juniors attended carnivals with 18 having 100% attendance
- \* 28 Juniors had 100% attendance at pointscore.

### EXPRESSION OF GRATITUDE

The success of the last season of activities in achieving our aims can be attributed to the continued support of our sponsors, donors and the advice and help of others.

To this end I say, thanks to the following sponsors of trophies and donors -

- United Mineworkers Federation
- Ron Kissell Family Meats
- Baines Concrete
- Helensburgh Bowling and Recreation Club
- Helensburgh Workmens Club
- Douglas Graham Realty
- Mr and Mrs Harry Harris
- Mr and Mrs Peter McDonald
- Mr and Mrs Roy Gavel
- Mr and Mrs Jeff Lucke
- The Hon Robert Tickner, M.P.
- Mr Norm Bartlem
- Mr Ian McManus, M.P.
- Mrs Walsh

And special thanks to -

- \* the senior Club, for water safety
- \* Harley Dreghorn, for advice
- \* Evan Griffiths, for advice and attendance at Branch meetings
- \* Peter and Sandra McDonald, for continued support
- \* Mick and Irene Dezius, for continued support and also great supporters of the Walk-a-thon.
- \* all the Age Managers - Kerry, Paul, Bronwyn, Ron G, Ron M, David, Bernie, Steve Skene.
- \* helpers on the beach at pointscore.
- \* Rod Hampson and Steve Connor, for water safety at point score and board training.
- \* Rod Hampson, gear officer for carnivals
- \* Yvonne Dalglish and Maree Osburne - clothing sales.

- \* Recorders, Sandra Connor, Judy Sullivan, and Lion Bedwell (point score) and Cathy Astill at carnivals.
- \* Steven McDonald, instructor, examiner and R&R training
- \* James Powell, march past coach

It is appropriate at this point to acknowledge the work and effort that Harley Dreghorn has contributed to not only the senior Club but to the junior section over a long time. His expertise in Surf Club knowledge and advice has been outstanding in a wide range of areas and activities.

Harley is a "doer" and very importantly a "peacemaker". These qualities have contributed to the growth of the Club and to the amalgamation of senior and juniors where there has evolved a successful working and social relationship amongst members of our Club.

At our Presentation Night we acknowledged the time and effort made by Bernie Potter in training the beach competitors. Of course he was not alone, and I would also like to express my gratitude to all those who gave of their time in assisting on the beach, in the water, in the canteen and with carnivals.

Of special note has been the work of Patricia and Bernie Potter in the running of the canteen, with the help of volunteers, so successfully. Also the work done by Maree Osburne and Yvonne Dalglish in the selling of Club gear has been outstanding. They hope to have a good working system in operation by the start of the next season.

Once again, I am extremely grateful to the work done by each of the committee members and their families. What has made the season so pleasant has been the friendly and cheerful manner in which people have performed their duties and given help.

# JUNIOR SECTION

## THE FUTURE

We are still aiming to raise as much money as we can to support the Club in getting some form of a grant to extend the building. With the increase in activities for both the juniors and seniors, we are finding it increasingly more difficult to house some activities and to find suitable space to store valuable life saving equipment.

For the Juniors, we aim to -

- \* Make swimming a priority by having more swimming and water opportunities.
- \* Encourage a greater number of water competitors at carnivals
- \* Have a number of novelty and fun events at our point scores.
- \* Run two new long distance events as a means of improving the endurance and confidence of our Junior members -
  - a timed non-competitive one kilometre swim in a pool;
  - a 1500 metre run on grass.
- \* Continue to get more parents sharing in the responsibilities and joining in with social activities organised by the Club

A final bit of advice to our Juniors -

**"WINNERS NEVER QUIT**

**AND**

**QUITTERS NEVER WIN"**

## STANWELL PARK SEA EELS

---

The Sea Eels are now in their fourth season and still sanity does not prevail. Why do supposedly intelligent and mature people get out of a warm bed on Sunday mornings to swim at Coalcliff pool in water temperatures as low as 13 degrees C. The 54 members will give you 54 different reasons.

Chairperson Mark "Gator" Wallace along with Club Captain Graham "Macca" McCrae kept interest high throughout the season. Gator's leadership along with his public speaking goes from strength to strength.

Twenty swim meets plus the South Coast Championships with only one break for the Annual Surf Club Car Rally made for a busy season.

The season started in late April, with time trials and a swim to the Coalcliff Bombie and back. The following meets included novelty events and mystery finals, all very well attended and contested in friendly and sportsperson like manner. Overall point score winner once again has gone to a lady member, Bridget Murphy, closely contested by Rod Hampson and Peter Lawrence.

This season we had another increase in 100% swim attendance, a total of 14 in all.

The most sought after Sea Eel motif mug still eludes many of our swimmers, try as hard as they may to buy, con or straight out cheat our handicapper, all efforts have failed and handicapper Bobo White along with the figures man Robert Pugh have once again conducted a fair and competitive point score. Bobo also looked after our finances and donations were made to both Helensburgh-Stanwell Park and Coalcliff Clubs.

This season's delegates to the South Coast Winter Swim Association were the late Phil Anger, Klaus Herrmann and Dave Winner. We thank them for their attendance at meetings and keeping us well informed.

Congratulations and thanks to Jeff Prior who once again was most successful in raising funds from weekly raffles with varying prizes.

Our patrons for the season were Frank Krinks, Bernie Ryan, Keith Gillett and Ron Kissell. We thank them for their interest in winter swimming.

Donations were received from Ron Kissell and Keith Gillett.

Socialising is as much a part of winter swimming as is the actual weekly dip in the pool. The Sea Eels, many with years of experience in this activity helped pass away the cool winter months with the regular get together back at the Surf Club, a visit was made to the Bulli Sea Lions, Wollongong Whales and we had two visits from the Corrimall Marlins. A family BBQ at the Coalcliff Surf Club proved very popular and should be repeated next season.

The visit to the Bulli Sea Lions was most enjoyable by all who attended. The Bulli Club being a family club similar to ours, made both young and old members most welcome.

Two Seafood Nights and a Beef and Burgundy Xmas in July were held during the season. Apart from providing fine food and entertainment, some monies were also raised. To provide evenings of this nature requires a large effort organising, purchasing, cooking and serving of meals. Room does not permit to name each person who helped but to those who assisted a special thanks and congratulations on a job well done.

Special mention must be made of Stephen Milan Southern Ocean Seagoods and Greg and Craig Smith of Smiths Quality Seafoods for their assistance in purchasing the seafood, Ron Kissell for his carvery skills and generous donation and Rick Fleming of Flemings of Flemings Cakes, Thirroul.

# STANWELL PARK SEA EELS

---

The South Coast Championships once again proved very successful for our club. The late Phil Anger won the Over 70s and then gained a 2nd in the Over 65s. It was Gold for the C grade relay, silver for the B and bronze to the A grade relay. Gator and Macca combined for bronze in the President/Captain relay and the over 40s relay also 3rd. The club was 3rd outright in the championships. The members then drank Thirroul Surf Club dry, and then attempted to do the same at Clifton Hotel.

This season none of our members travelled to Cottesloe, W.A. to contest the Australian championships. Whether it was the distance or the cost that was too much for our members, or they just wanted to give the other clubs a chance to make a name for themselves we will never know.

Regrettably we have lost one of our foundation members, Phil Anger. Phil came up with the idea for the Helensburgh-Stanwell Park Surf Club to have a winter swim club four years ago, and we have not looked back since. Phil was our delegate to the SCWSA for four years and Vice President of the Association. Phil's successes at the South Coast championships will probably never be equalled, his friendship and association with the winter swim club will always be remembered. The Club has approached the SCWSA to have a perpetual trophy established in Phil's name.
