## **ACKNOWLEDGMENTS - OUR DONORS**

---

This year as in previous years our Club has been blessed with tremendous support from the Community and the Helensburgh Workmens Club.

This year our total donations were recorded as \$10,587.00.

### **HELENSBURGH WORKMENS CLUB**

The Workmens Club allowed the Surf Club to run the ANZAC Day Two-up game again this year and we thank the Club and its Members for their continuous and generous support. The Surf Club raised \$475.00 through money taken from the Two-up and from kind donations on the day.

To the patrons of the Workmens Club, thank you very much for your support on Anzac Day.

### **LIFE SAVERS APPEAL DAY**

Life Savers Appeal Day was another success and it is amazing the support our small close-knit community gives. Every member in our Club acknowledges the Community's generous support and at the same time they realise people of the Community do appreciate the time and effort that our Members put into making Stanwell Park beach a safe place to swim.

The amount of money raised was \$3,505.00 which is very good considering there was a clash with the Lions Club's "Helensburgh Fair". Our appeal day is organised by State Centre on a state basis and we can only hope there is not a clash next season. Even though we had to share the day with other sporting bodies the community still went out of their way to support us. We thank the community for their continuous generosity.

A special thank you to Paul Potter for co-ordinating the day and organising our hard working troops.

### **REGISTERED CLUB'S RACE DAY**

The Registered Clubs should be congratulated on their support of ALL Illawarra & South Coast Surf Clubs with the organisation of a major raffle of a car and a very enjoyable race day at Kembla Grange. The Club had the opportunity to double the amount of money collected through the sale of raffle tickets. Some Clubs raised thousands of dollars.

## **ACKNOWLEDGMENTS - OUR DONORS**

---

### **PATROL SPONSORS**

Thanks to the assistance of a number of patrol sponsors, our patrol members were able to be easily identified on the beach with Surf Patrol tee shirts. Our sponsors this season were -

Helensburgh Smash Repairs  
Telstra Corporation(Telecom)  
J & E Burke of Heathcote  
Engadine Music and Computer Centre  
Ron Kissell Family Meats, Heathcote  
Jeff Sruhan of J & T Helensburgh Concrete  
Gary Mercer of Mercers Concrete  
Jimmy Ryan of Ryans Transport of Helensburgh  
Graham Buckley of Buckley Building Services  
Helensburgh Smash Repairs  
Rubys Revival Cafe of Stanwell Park

On behalf of the patrol members, thank you to the above sponsors.

To B.H.P. Steel, thank you for again supporting the Illawarra Branch Patrol Efficiency Competition, from which the Club received a rescue board.

### **SPECIAL THANK YOU TO THE BOATIES SUPPORTERS :-**

Dolphin Airconditioning  
Metropolitan Collieries  
Alexandria Signs  
Country Outdoors  
North Wollongong Hotel

To Rubys Revival Cafe, thank you for having a donation box in your store for our Club.

Special thanks goes to Robert Tickner MP, Ian McManus MP, Sid Sampson, Dick Pavet, Jim Thorn & L.J Hooker & Ron Kissell.

Mrs Daly a gratefull member of the public who donated money after a rescue.

The Railway Social Club with Jeff Prior who donated \$400; Thank you.

To members attending the Old Boys Re-union, thanks for your donations which will be used to keep our first aid room well stocked and in a first class condition. Thank you.

---

### **CLUB OBJECTIVES**

- \* To provide a community service in protecting the public at Stanwell Park beach.
  - \* To provide training facilities for members and new members in life saving techniques.
  - \* To foster competition among members.
  - \* To provide social activities for members.
-

As President I am pleased to again be in a position to announce that no lives were lost in patrolled areas of the beach during 1994/95 season. This is an achievement our Club Captain Mark Thompson and all members can be proud of.

The Club was well represented on the beach and in the water at the limited number of Illawarra Senior carnivals, with the number of members entering water events being the highest for many years. The results obtained at all the carnivals were very good.

Our Boat Captain, Mark Wallace has done an excellent job with our young members, it is unfortunate for Mark and the boys that the boat is past it's use by date and is constantly out of the water for major repairs.

All the competitors achievements were noteworthy, particularly Trish McCarthy and Simon Harris. Trish competing for the first time at a Senior Australian Titles come fourth in the Under 16 Female Beach Flags, while Simon, who was competing for the first time in Open Beach Flags competition, won GOLD at Branch, SILVER at the State, and was eliminated in the last run before the finals at the Australian Titles.

It was very pleasing to see such a large contingent of enthusiastic competitors representing the Club at the Australian Championships at Kurrawa, competing at their best.

"The Park" can also be proud of their members who competed and officiated at the inaugural Illawarra Branch Masters Championships; the State Masters & Australian Masters Championships.

Trish McCarthy was the Illawarra Junior Life Saver of the year, a well deserved reward for her achievements over many years representing her State, Branch & Club. It would be difficult to find a more suitable ambassador for Surf Life Saving.

Our Junior Section has grown and improved in all areas. The children's confidence shown in the water together with the results achieved at carnivals was a great personal benefit and a good investment for the future of the Life Saving movement.

I would like to thank Paul Robberds of Black Swan Engineering for assisting the Club to temporarily solve a storage problem associated with our training equipment. Paul provided a new Security Container to the Club at cost price. As all sections of the Club continue to grow, greater demands are placed on the limited funds available for training, lifesaving, and competition equipment. Therefore, donations such as Paul's are of invaluable help to the Club, Members, and the Community.

Thanks to our sponsors for their continued support during the 1994/95 season. The Club held a sponsor's dinner for the first time to show our appreciation for their generosity and continued interest.

Our Ladies Committee catering gets better every year, thanks for a job well done.

The Social Committee was active organising functions for members & competitors, the Executive appreciate the support, thanks.

The team manager, Matt White deserves a mention for organising the 30 plus touring team trip to the Australian Title at Kurrawa.

Finally I express my appreciation for the support of the Executive, the Management Committee & the Sub Committee which reviewed the Life Membership criteria.

**Peter Lawrence  
PRESIDENT**

## CLUB CAPTAINS REPORT

Another season has come to an end and I would like to thank all our patrol members for their efforts in patrolling our beach. Due to the effort and dedication shown by everyone our Club again achieved second place in the Branch BHP Patrol Competition.

This season 55 active members gained 100% patrol attendance awards with Robert Scorse winning Patrol Member of the Year. This season is Robert Scorse first full season as an active member and he has shown he is a very dedicated patrol member and possible patrol captain of the future.

The Club's Patrol Competition proved again to be a fierce

contest with Patrol No5 under the leadership of Mark McCarthy and Simon Harris gaining 1st place. I would like to take this opportunity to thank Evan Griffiths for his efforts in running the Club's Patrol Competition.

This season saw a good roll up and fierce competition in our Sunday pointscore and Club Championships.

In closing, I would like to thank Matt White for his fantastic support in running patrols & the Club Championships. Thanks also to Jeff Lucke who organised the patrol paper work & the Club Committee for their support.

## **GEAR INSPECTION**

The Club's Life Saving equipment was presented to the Illawarra Branch Officers for inspection to ensure our gear is in a satisfactory condition to perform patrols for the new season of 1994/95.

As usual our Club's gear was in excellent condition and the Branch was very pleased with the way our Club presented our gear.

A special thanks must go to all the members who worked so hard to make the condition of our equipment first class, and continuing the high standard our Club is renown for.

## **BHP BRANCH PATROL COMPETITION**

Helensburgh - Stanwell Park patrols are the equal of any on the coast. Our Club has never won the BHP Patrol Competition but are consistently near the top, year after year.

The Club would like to thank BHP for supporting this very worthwhile competition. The Board of Control should be congratulated for running such a useful and testing competition.

The Club is very fortunate to have so many young and enthusiastic, but often inexperienced members doing patrols, but it makes it very difficult to win the BHP competition from Bellambi, with their small numbers, mature and experienced patrol members. Our Club and the community are more than happy with our dedicated and enthusiastic patrol members who patrol one of Australia's most picturesque beaches but also one of the most dangerous.

## **CLUB PATROL COMPETITION**

Evan Griffiths organised a very efficient Club Patrol Competition which compliments the Branch Patrol Competition. Evan was very strict on paper work and uniforms, keeping everyone on their toes.

It is not an easy task to organise a patrol competition when you're as busy as Evan, and the Club would like to congratulate him on his good work as we do appreciate the time and effort he puts into this competition. Thanks Evan.

## **IRB CAPTAINS REPORT**

It was a quiet year in the IRB area with no major problems or disasters. Even though there were no new drivers so far this year there is a small young group starting training.

I wish to thank all the drivers for their support and efforts during the season as without them the Club would not be able to have the boat on patrol or available during training for awards.

On the competition side we only had a go at the Branch Titles and with no training came away with three medals. This year competition is looking a lot better.

Again thank you to all who helped me during the year especially Mark Thompson and Steve Conner.

**Mark Ryan  
IRB CAPTAIN**

### CHIEF INSTRUCTOR'S REPORT

Not a bad year in terms of awards gained by the Club, with a total 38 for the season.

This season started with a number of enthusiastic new and existing members interested in gaining their Bronze Medallion or Surf Life Saving Certificate. Some of these went through to complete their awards and others dropped out due to work or other interests. The Club welcomed 6 new award members who were successful in gaining an award.

Once again the instructors who took the time to train the squads did an exceptional job. It was a difficult task this season with a number of months worth of unfriendly surf conditions making it hard to get out on boards, in the tube and the IRB. Thank you to the Club Instructors Steve Connor, Bill Haran, Peter McDonald, Des O'Brien, Peter Turner, Mathew and Bobo White.

The District Supervisor was Evan Griffiths who assisted in examining Part A and B of the Bronze Medallion Exam and Surf Life Saving Certificate Exam. Evan provided valuable background on the surf life saving and his enthusiasm was a great encouragement to the candidates. Dave Wildin took on the role as Northern Zone Exam Coordinator. His unenviable job was to supervise the candidates sitting for the theory component of the Bronze Medallion. Thanks to Evan Don and Dave.

The Bronze Medallion Exam took on a new format this season, being broken into 3 components:

- Theory - (written theory paper 40 questions)
- Part A - (resuscitation, air bag, signals, radio and surfing awareness) and
- Part B - (run-swim-run, board, tube & IRB rescues, one-person assessment).

The theory exam presented the most problems to the candidates, with some candidates sitting for the exam up to 4 times. The exam conditions required that no more than 4 questions be answered incorrectly and that all 5 resuscitation questions be answered correctly. The examiner could not tell the candidates which questions they answered incorrectly; only the area of the Training Manual they had trouble with. The new format for the theory paper did not seem fair to the candidates and caused a number to contemplate dropping out as they felt they would never pass.

Proficiency Tests were well attended with 127 proficient members. This is an increase of 20 on last year. This year's theory component was well answered by all members. The Club's IRB crewperson skills have improved with the inclusion of IRB rescues in the Proficiency Tests. Thank you to Steve Winter for his time and patience in waiting for appropriate surf conditions to conduct the Proficiency Tests. Twenty members renewed their Advance Resuscitation Certificate, with an annual ARC proficiency being required from this season on. Sixteen IRB Drivers completed their Proficiency for the season, being important to the Club as the IRB is the most efficient & popular method of rescue.

An off season program of ARC and Radio Operators Certificate boosted the total number of awards gained by the club. Resulting in 4 ROC, 4ARC & 1 ARCI.

Congratulations to all members who gained an award this season, and well done to all involved in training.

**Steven McDonald**

## INTER-CLUB COMPETITION

---

### TEAM MANAGERS REPORT

The 1994/95 season was an encouraging one for Stanwell Park's with some promising Junior competitors coming up into the Seniors and a few keen competitors joining the Club.

The PARK colours were present at almost all carnivals on the coast, thanks to a dedicated band of competitors led by Simon Harris, Carly Lawrence and the boat crews.

The season's first major carnival was the inaugural "Masters" at Bulli, with well "seasoned" competitors coming out of the woodwork. Peter Turner starred in the water and Mark Thompson, Peter Lawrence, Steve Connor and Peter Burke taking medals on the beach. The day was an enjoyable one for THE PARK & a success for the Branch.

Illawarra Branch this year, as in the past years, seems to be a favoured carnival by the competitors, with both men & ladies, new & old, all eager to compete. Kevin Morton, with his years of experience showed the way in the water, with Jason Dalgleish and Steve Waite right behind him, and what about the final of the Open Men's Flags, with Simon Harris, Mark McCarthy & Luke Potter making it one, two & three for Stanwell Park. Carly Lawrence, Kylie Connor & Trish McCarthy also kept the flag flying for Stanwell Park in the Ladies' events.

### CARNIVAL AWARDS

Most Improved Carnivals  
(Imperial Hotel Trophy)

Carnival Pointscore  
(Helensburgh TAB Trophy)

The Boaties, with Gator & Craig Pritchard at the helm, travelled near & far to compete in carnivals, while not making too many finals, who could forget the grins they had from ear to ear when they beat Coalcliff, 2-1 in the Easter Cup. **GO THE BOATIES**

At the State we had a few people travel north to Cudgen Headlands, with Kurt Herrmann in Board Riding and Simon Harris competing for the first year in the Open's. Kurt unfortunately got knocked out in the early rounds, but Simon went all the way, and finished the day with a silver medal, **WELL DONE SIMON.**

This year the Australian was back at the Gold Coast, so a few competitors, the Boaties and a large support team made the journey north.

Most of the Competitors were knocked out early, in the high standard of competition, but Simon made it through to the semi-finals of the Flags, and Trish McCarthy and Carly making the finals of their events.

Trish "THE FLASH" McCarthy made it to fourth place, she still has two years in the under 16 's, so maybe next time without the break in training because of a broken foot she'll go one or two places better.

### VALE

To families

who have lost loved ones during the past season,  
the Surf Club extends its sincere condolences.

### COMMITTEE MEETINGS

Committee meetings were well attended and productive. The Committee worked very well together and I would like to thank all those members who made the effort and contributed, ensuring the Club functioned smoothly. The Committee had more workers than talkers.

### ELECTION OF OFFICE BEARERS

Advance nominations were again called for positions on the Club Management Committee. During the year, there were no resignations or changes to office bearers.

### INCORPORATION

The Club has been formally accepted as an incorporation body by Consumers Affairs on the 3 April 1995,  
Document No: N0531889;  
Lodgement Unit No: 6687079/01

### CLUB RULES

No changes were made but the Club is going to put forward some rule changes in relation with Life Membership early next season.

At this time, the Club Rules are available for perusal by members on request. In accordance with an earlier Minutes recorded at a Committee meeting, it is necessary that the Rules be exhibited within the Club house where members can peruse them.

Club guide-lines are being prepared for members using the Club's top level facilities.

### CLUB TRADING

Similar to previous years, a separate account has been operated for the Club's trading activities, principally for the sale of soft drinks and other refreshments to members.

### THE PARK BENCH

There have only been limited editions of the Park Bench this season due to the busy schedules of both Peter McDonald and Harley Dreghorn.

### PUBLICITY & COMMUNITY RELATIONS

The Surf Club is an organisation which has a good relationship with the local Community and it was very pleasing to have a more active Publicity Officer, Christine McDonald who had information in the local newspapers.

The Community, Sponsors & past members all like to read Surf Club articles in the papers to keep in touch and you can never have too much publicity. Well done Christine.

### CLUBHOUSE

The Surf Club building is situated in a very active and unforgiving environment which ensures there is a continuous need for maintenance and improvement to the Club House and its surrounds.

There have been many people who have helped maintain our Club House but again this season Matt White, Peter McDonald and Don Burke should be given special mention for their contribution towards improving the Club House and its surrounds.

Within the Club House Sandra and Peter McDonald continue to spend many hours washing and cleaning floors, kitchen and rest rooms.

The Club is very lucky to have members who are willing to roll-up their sleeves and help around the Surf Club.

The Club management is investigating the possibility of sharing the cost of the running and maintenance of the Club House between the Seniors, the Juniors and the Sea Eels.

## ADMINISTRATION

---

The Surf Club would like to acknowledge the good work carried out by John Bedwell, Trish Potter & Bernie Potter who are retiring from the Junior Section's Executive. The Club's Juniors are in a very healthy position and much of the credit should go to these very hard workers.

The Senior Section of our Club is also losing one of its most dedicated and tireless workers

from the Executive. Harley Dreghorn after 16 years on the Executive has decided to not hold a major position next year. Harley would have to be one of the most efficient and professional Executive Members this Club has ever had. Thanks Harley, I know you still want to be involved with the Club and I'm sure your assistance and knowledge will be eagerly sort for many seasons.

---

## JUNIOR GROUP

---

The Junior Group now in its fifth year and I feel the Club is really starting to see the benefits of looking after the younger members of our Club.

There were less activities this season organised by Peter McDonald because of work commitments but he still ran the Mini Olympics night to introduce the new members to the senior members and the executive committee. My family loved it. Again it was hard to distinguish who was having the most fun the younger members and the more senior members as they all revelled in the snooker, darts and quoits.

Not only did the junior members assist on the annual Appeal Day and support all the other fund raising and Club activities they are beginning to organise Club functions and come up with new ideas to have fun (eg. "change of sex" theme for the Patrol Dinner).

Most of our carnival competitors come from this group, not to mention our 3 boat crews.

Young enthusiastic members entice new members, and I am sure having this group active has contributed in encouraging and retaining new patrolling club members.

The snow trip originally organised for the U/18's again turned out to be a general club trip. The U/18's filled most of the seats on the bus and provided much of the entertainment for the Skiers on the Saturday night and on the slopes. Steve McDonald deserves much of the credit for organising this very popular outing.

## ASSOCIATION INVOLVEMENT

---

### ILLAWARRA BRANCH INVOLVEMENT

The Club was affiliated with Surf Life Saving - Australia, through the Illawarra Branch.

Jeff Lucke was elected Deputy Branch Superintendent, and a member of the Life Saver of the Year, Meritorious Awards, and Life Membership Committees.

Don Harris was elected as Patrol Director, and was also a member of the Finance and Judiciary Committees.

Evan Griffiths was elected Illawarra BJA Superintendent and our District Supervisor, while Bobo White was on the BHP Patrol Competition panel.

"The Park" members in both the Seniors and Juniors are very active in the running of Life Saving Carnivals at all levels. Our contribution is second to none and the quality of our officials is recognised as the best in the Association. That is why our Club has such a large number of Carnival Sectional Referees. Jeff Lucke became our first National Beach Referee, congratulations Jeff.

Bernie Potter was the Branch BJA beach coach again and does a marvellous job with the kids.

## GENERAL ACTIVITIES

---

### FINANCE & FUND RAISING

The Finance Committee and the Fund Raising Committees weren't overly active this season.

The Club's most successful and profitable fund raising venture was the 200 Club and everyone who sold tickets should be congratulated.

The two up was another function well supported by our Club members and again everyone who made the effort should be praised.

### SOCIAL COMMITTEE

It was very pleasing to see the Social Committee become so active and a driving force within the Club. A special mention of Matthew (Toad) McDonald should be given for the excellent leadership qualities he showed through out the year.

The Committee help organise the Christmas Party, the "Boaties" Ball & the Patrol Dinner.

The Christmas Party was at the Workers Club and was one of the best we have had in a long time.

The "Boaties Ball" was a huge success and was talked about for weeks. I'm sure this function will be run for many years to come because everyone had such a great time.

The Annual Patrol Dinner was again a sit-down affair catered by members of the Ladies Committee, followed by hours of fun as Club members showed what great singers they were in front of the Karaoke machine.

This year the dinner had a "change of sex" theme and every member went to great lengths to dress for the occasion, the night was very funny & everyone had a good time

### PRESENTATION NIGHT

Presentation Night at the Workmens Club was again very successful with many happy faces, winners are grinners.

Peter & Sandra McDonald need to be congratulated on the tremendous effort and organisation they put into making this night such a great success.

The young boaties proudly wore their touring team shirts and were over the moon when Trent Ryan won the Trophy for the most improved carnival competitor.

The climax of the night was when Peter Turner was presented with Club Person of the year. Peter Turner was a very popular winner and received a standing ovation as he walked back to his sit.

### GENERAL

The Junior Group were not as active as previous seasons because of Peter McDonald's work commitments but they were still a very close & enthusiastic group within the Club & are beginning to organise their own & Club functions.

The Helensburgh Workmens Golf Club and the Surf Club contested the memorial Phil Anger Golf Cup. A good day was had by all.

The 1994 Surf Club Re-union was held in the Club house, and a pleasant day was had reminiscing. There needs to be more effort and planning go into this special day to maintain the prestige and importance this occasion deserves.

The Sea Eels are very strong within the Club and are very sociable through the winter time.

Members attended the Helensburgh Anzac Day Dawn Service in force as a Club group and then went back to the Workmens Club for breakfast. Later in the day, Club members ran the Two-up Game very successfully at the Workers Club.

This season included the Annual Car Rally, organised by the Powell twins that ended up near Camden.

## BOATIES REPORT

---

It has been a big season for "the Boaties", competing at a number of carnivals this year with mixed results. We managed to form not one but three crews; 18s, 21s & Reserves. As most of our members know, at the start our boat and equipment was very antiquated and with the help of some very generous donors we managed to purchase a set of carbon fibre oars. Mr Ian Pritchard formed a consortium with Mr Kym Wilson of Alexandria Signs and Mr Gavin Anderson of North Wollongong Hotel to buy these oars. Mr Arthur Benson of Dolphin Air-conditioning brought a new set of pumps and batteries which we vitally needed. Mr Doug Faulconer, Managing Director of Metropolitan Collieries donated money towards a new sweep oar which we have yet to purchase. The Club, the crews and myself are pleased these gentlemen have shown great interest in our sport for this we are very grateful. Our next prospect is to purchase a new Surfboat which will be a mammoth task and any financial support will be gratefully accepted.

The boys showed their guts & determination at a carnival at Wollongong this year where the surf was 8-9 ft and very unforgiving. I asked the boys to make a decision to row or go home, unanimously the call was "ROW", so drawing a heat of 5 crews in the Reserve Boat the boys and myself lined up to face just one other crew (Wollongong), the other 3 pulled out of the race due to the sea conditions.

Getting through the break was difficult and in doing so we filled the boat with water. With no pumps the crew rowed the course with a considerable disadvantage then cracked a huge set straight to the beach a close second. In my mind a truly memorable and gutsy effort. This crew went out as boys and came back men, they also earned the respect of the other Clubs and their supporters.

We finished the season at Kurrawa (Qld) for the Australian Titles getting knocked out in the first round of the 18s, 21s and Reserves but Jason Brown, Trent Ryan, Wayne Claverie, Ashley Turner, Craig Pritchard, Mick Denning, Grant Dezius, Keiran Beaumont all proved to be great ambassadors for our Club and I am very proud to be associated with such a fine bunch of gentlemen.

In closing I would like to thank the wives, girlfriends, mothers, fathers, supporters and ALL (too many to name) who have given their help and support on and off the beach.

PS: Look out for our new sweep Craig Pritchard, he'll be a force to be reckoned with in 95-96.

## JUNIOR SECTION

---

Once again the Juniors have had a great season both in Pointscores at Stanwell Park and at carnivals. Many of our Seagulls have taken up the challenge to compete at carnivals and to venture into the water inspite of some very imposing sea conditions. This goes well for the future as they move onto senior activities especially patrols where confidence and respect for the sea is so important.

There have been a number of memorable events and performance throughout the season. Our March Past team have excelled themselves as a result of good discipline and training by David Astill and James Powell. Within the Branch they won all competition and were well-placed at the State Championships. The R & R competitors also were a credit to the Club and their trainer Steven McDonald with Rochelle Gilmore and Andrew Astill winning all events in the Branch and representing Illawarra in Inter-Branch competition.

Rochelle Gilmore has been an outstanding athlete and competitor once again taking achievements to greater heights by being selected in the State Team to participate in the team activities in Queensland where she showed her strength and talents. Rochelle continued her great form in flag events by winning a silver medal at the State Competition held at Mollymook in February. While she has been so successful in Surf Life Saving competitions, Rochelle has also cleaned up all competition in Australia in Australia in BMX Racing.

Our successes in water events has been noteworthy. A number of our children gained a bag of medals at the Branch Championships held on North Wollongong Beach. It was very special to see medals won in

team events where Alecia McCormack, Daniel Thompson and Paul Bedwell won the Board Bedwell Relay. Paul Bedwell gained selection in the Branch Team and I predict that we will have a greater number of water competitors selected for the Branch Team next season.

Congratulations to Rochelle Gilmore and Paul Bedwell for being Seagall and Seagull of the Year respectively. Both have been extremely consistent in their performances on the beach and in the water in Pointscore and at Carnivals. The results of all competition are listed and I congratulate ALL children who gained awards, certificates, medals and trophies.

As this is my last report as Chairperson of the Juniors, I must say a big thankyou to the children, their parents, the Senior Section and to the hard working committee that I have worked with over the last four years. After a shaky start, we were able to settle down to setting goals, achieving them and enjoying ourselves with the children. Most importantly for me has been to see the big improvement in water confidence and competition results and I thank all the adults who ventured into the water as watersafety.

I hope all the Under 14's who go into the Senior Section, continue to participate in competition in order to keep up their fitness and to enjoy the social interaction that is provided. Already Tricia McCarthy has shown her intentions in the Senior Movement by coming fourth in the Australian Titles in Queensland.

Sea Eels have once again completed another very successful season. The club now in its sixth season continues to grow in strength in numbers and achievements. Notably this season our O/40's relay team recording our first finalists in an Australian Championships, finishing in fifth place.

Under the direction of President Dave Anger and new Captain Barry Allen, the club attracted seventy members, our highest yet, out of which thirty two gained 100% attendance. Our committee worked enthusiastically and with the introduction of a Finer Keeper (Jimmy Dalmer) kept us entertained whilst making money. Jimmy all of a sudden had so many friends keen to tell tales about fellow club members, where had all the loyalty gone, they paid dearly.

Special thanks to our Social Secretary Gator, who worked tirelessly raising funds through a weekly "Lotto" and finished the season off with the "Footy Final" tipping competition.

Mike Walsh, Klaus Herrmann and Dave Winner attended all of the South Coast Association meetings to keep us up to date, thanks fellows. Finances were kept under tight control by Treasurer Peter Turner who never let the money out of his sight, religiously bringing it to the Surf Club throughout the summer season rather than risk it in a bank vault.

Handicapper Bobo White ("myself off one") and Number Cruncher Robert Pugh made sure the twenty point scores were conducted in a very streamlined & fair manner.

On the social scene the club visited the Bulli Sea Lions where it was their turn to win the "twenty four a side" relay by a touch. A number of our swimmers visited the Austi Otters for the "five way" swim and won the relay.

For a second time we were grateful for the visit from the handicap children from "Baringa" Wollongong. This time we had the weather on our side and being a little more relaxed were able to entertain the children on the beach. All were made Honorary Members and presented with a T-Shirt donated by Bill Haran and bags of goodies donated by John Murphy who also arranged the visit. Special mention must be made of Ernie Valbusa (Tom Dick), who although laid up in hospital was still able to wheel and deal donations from sponsors for this very special day. Hoping to repeat the visit again next year.

A large contingent, 38 in all attended the South Coast Championships hosted by the Coledale Oysters at Thirroul and the club came away with second overall in the Point Score. Scratch, Yogi Bear, Gator and Macca were finalists in their age groups. Other results were a 1st in the Timed Relay, 2nd place in the President/Captain, B grade, C grade and O/40's relays with a 3rd place in the A grade relay; and for the sixth year in a row we were the last to leave the dinner.

The Helensburgh Workman's Social Golf Club again staged the Phil Anger Golf Trophy and still retain the trophy, next season we may have to take them on in what we do best, swimming or have Bobo do the handicapping for the golf. Special thanks to Bob Britten and the HWC for their interest and organisation.

The Australian Titles hosted by Wollongong Whales was attended by 13 members and for the first time we made a final, our successful O/40's relay team with Macca, Bill Haran, Peter Turner, Hilton Barnett, John Murphy and Barry Allen finished fifth and made the record book. This event was nearly overshadowed by a spectacular false strat by Scratch overcome with enthusiasm and those not too even starting blocks.

## STANWELL PARK SEA EELS

The Club was once again made most welcome at the Coalcliff Surf Club on two occasions along with a visit to the Clifton Hotel where soup was served in fine bone china by Ernie. Our two major fund raisers, the Beef and Burgundy Night and the Seafood Night once again proved very popular and successful thanks to the many helpers and ever increasing patronage.

Our prestigious and highly contested award the "S.H.I.T" (Soup Has Individual Taste) trophy was this year won by Yogi Bear (Peter LeBreton) who forgot to take his trophy home. and also forgot to tell his wife about winning.

### THANKS TO DONORS.
