

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB Inc

90th Annual Report & Financial Statements 1996/97

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB Inc

90th ANNUAL REPORT - 1996/97

Members

I submit herewith on behalf of the Management Committee, the 90th Annual Report for your consideration and adoption.

The report includes financial statements for the year ended 31 May 1997.

Harley Dreghorn
Secretary

20 July 1997

CLUB OBJECTIVES

As set out in Club Rule 2 -

- * *The study and practice of the methods of surf life saving as taught by SLSA*
- * *To minimise the loss of life from drowning by providing efficient life saving apparatus*
- * *To promote demonstrations and arrange classes of instruction and to further the best interests of surf bathing and surf life saving*
- * *To appoint patrols to render all possible aid to those in distress*
- * *To organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives*
- * *To exercise the power to acquire, lease or hire or in any way deal with any real or personal estate*
- * *To act as governing body of the Junior Activities Committee and to provide assistance to that section in the field of competition and training*
- * *To carry on any other activity whatsoever calculated directly or indirectly to enhance further the interests of the Club.*

OUR DONORS

- * **H.W.C. donates another IRB and motor**
- * **Another good result on annual collection day**
- * **Patrol sponsors lost**
- * **Juniors secure donations to replace and upgrade competition equipment**
- * **Boatles commence fund raising venture**

Helensburgh Workmens Club Ltd

Our major donor and patron for many years, H.W.C. donated \$10,000 over the last two years for the purchase of a fully equipped IRB and motor.

This brings to almost \$30,000 direct donations by H.W.C. over the past ten years. A further \$9,500 has been raised through raffles, Anzac Day Two-up, etc conducted at H.W.C. and supported by the Club and its members over the same period.

A special thank you to H.W.C. Board, members and staff for your on-going support.

Appeal Day/Collection Day.

Despite an economic gloom in the town with the temporary closure of Metropolitan Colliery, local residents, businesses and shopkeepers nevertheless contributed an amount of \$4,364 for our annual door-knock collection, only a few hundred dollars short of the 1991 record of \$4,852.

This brings to \$38,000 the amount donated to our Club by the local community over the last ten years. This community support is very much appreciated.

Registered Clubs Race Day

The Registered Clubs of Illawarra banded with the Illawarra and South Coast Branches and Surf Clubs to run a major raffle with first prize a motor vehicle. For each \$1.00 ticket sold by our Club, a return of \$1.35 was paid, made possible through promotions and a race day run by the Registered Clubs at Kembla Grange.

With 2400 tickets sold by Club members, the return to the Club was \$3,261. Thank you to those who supported this raffle.

Douglas Ryder & Co, Sydney

Donated, installed and programmed a security alarm system for the Club house.

Stanwell Park Sea Eels

The Club's Winter Swimmers (joined by members of Coal Cliff SLSC) had a big year in 1995 hosting the South Coast Championships. From the funds raised the Sea Eels donated \$1,000 each to The Park and Coal Cliff Clubs. Our Club purchased twoambu-manikins for training purposes.

Thank you to the following donors -

- * **Accent Garage Doors, Moorebank**
Donated \$1,200 for a malibu competition board.
- * **Alexandria Sign Service Pty Ltd, Alexandria**
Sign writing services for equipment
- * **Buyrite Steel Supplies Pty Ltd, Kirrawee, and Buyrite Pools and Spas**
Donated \$1,200 to purchase a tent for use by competitors at carnivals.
- * **AMZ Furniture, Taren Point**
Competition racing board for Juniors
- * **Baines Concrete, Woonona**
Training boards for Juniors
- * **Dr Annette Beaufile**
Equipment for Juniors
- * **Kevin & Denise Binner, Helensburgh**
Raffle prizes and fruit/vegetable supplies
- * **Black Swan Engineering, Kirrawee**
Competition racing board for Juniors.
- * **Blue Blackwell Earth Moving, H'burgh**
Competition racing board for Juniors
- * **Buckleys Building Services, H'burgh**
Competition racing board for Juniors
- * **Centennial Hotel, Helensburgh**
Equipment for Clubhouse
- * **Country Outdoor Pty Ltd, Yowie Bay**
3 sets oars and other equipment for surf boat.

OUR DONORS

- * **Fisher Controls Pty Ltd., Wetherell Park**
Equipment for surf boat.
 - * **Helensburgh Butchery**
Raffle prizes
 - * **Helensburgh Car Services**
Equipment for Juniors
 - * **Helensburgh Shell Service Station**
Equipment for Juniors
 - * **Helensburgh Smash Repairs**
Competition racing board for Juniors
 - * **Island Aclassic of Engadine**
Raffle prizes
 - * **Jeffs Chain Saws, Helensburgh**
Equipment for Juniors
 - * **Jonno's Pizza, Helensburgh**
Raffle prizes
 - * **Kids Korner, Helensburgh**
Equipment for Juniors.
 - * **Kissells Family Meats of Heathcote**
State Championships team uniforms for Juniors, and Patrol uniforms.
 - * **G & D Mercer Builders, Helensburgh**
Team shirts, touch football, and team shirts for boaties.
 - * **Mercers Concrete, Helensburgh**
Team shirts, touch football
 - * **Metserv Pty Ltd, Coniston**
Equipment for surfboat
 - * **Mitchells Electrical, Engadine**
Raffle prizes
 - * **North Wollongong Hotel and Lone Star Tavern**
Competition malibu board.
 - * **Novotel Northbeach, Wollongong**
Raffle prizes
 - * **Premier Controls Pty Ltd, Wetherell Park**
Patrol uniforms
 - * **Roys Fruit Shop, Helensburgh**
Raffle prizes
 - * **Jim Ryan Transport, Helensburgh**
Patrol uniforms, and waiving of charges on beer deliveries.
 - * **Safe-rid Pest Control, Helensburgh**
Point score day
 - * **Drs Vozzo & Mazzafero Helensburgh**
Raffle prizes
 - * **Westpac Bank, Wollongong**
Patrol shelter
 - * **Yellow Pages Australia, Corrimal**
Racing malibu board
- Other donations have been received from**
- * R & M Gavel, Stanwell Park
 - * H & L Harris, Helensburgh
 - * Ian McManus, MP
 - * Norm Bartlem, Bald Hill
- Donations from Club members -**
- * Boaties collectively contributed \$350 towards running costs of surf boat.
 - * Mick and Irene Dezius
 - * Peter and Sandra McDonald
 - * Jim Thorn for RCA raffle and Juniors trophies
 - * Members attending Annual Re-union \$125 towards First Aid Room
- There have been many other donors this season, some in cash others through support in various ways. To all the Club extends its sincere thanks and appreciation.
- Fund Raising Venture - New Surf Boat**
During January the boat rowing competitors came forward with an idea to raise \$20,000 over a period of six months so as to be able to buy another surf boat. The project involves the sale of 200 tickets at \$100 each. At the end of the financial year, 40 tickets had been sold. The purchasers of these tickets will be acknowledged in the 1997/98 Annual Report.

**TO ALL DONORS, SPONSORS AND OTHER
SUPPORTERS OF 'THE PARK'**

T h a n k Y o u

PRESIDENT'S REPORT

I am pleased to report that Helensburgh-Stanwell Park Club has again had another successful season in 96/97. The Club had a few minor problems with patrols, but generally things ran smooth, the most important item being no lives lost during patrol hours. Captain Mark Thompson and Vice Captain Matt White have done a great job as did most of our patrols.

Congratulations to Andrew Taylor on taking out Patrol Member of the Year and also the winning patrol, Mark McCarthy's Patrol no 7.

Competition, what a great year for The Park, with the U/18 boat crew achieving some good results, followed by the good results at the Branch with the three Potter boys taking out the Flag events and Trish McCarthy with three Golds and a Silver, Mark Thompson the O/30 Sprint and Kurt Herrmann Gold in the Board Riding.

Trish McCarthy and James Potter then went on to the State to win Bronze medals.

At the Australian James Potter took out Gold and Kurt Herrmann a Bronze.

We had an excellent year winning medals, but to all our competitors whether you won or did not quite make it, you have competed for The Park and done our Club proud.

Congratulations and thanks to Luke Walsh for doing an excellent job as Team Manager, particularly with the Australian Titles.

The Club was again well supported by our major supporter Helensburgh Workmens Club with donation of an IRB and motor, the second in three years. These IRBs are the most important piece of life saving equipment in the Club.

Thank you to all donors. I would also like to thank the whole community for its support on Life Savers Appeal Day, even with so many people unsure of their future with the temporary closure of the mine, they still gave generously.

Many thanks to Louise Phillips and her committee for organising Life Savers Appeal Day, the selling of raffle tickets and organising functions throughout the year, the last of which was Patrol Dinner.

Thanks also must go to the ladies who work in the kitchen, Sandra and Peter McDonald for the Surf Club always being clean, and to Harley and his regular group of guys who are always selling refreshments.

Thanks to our Junior Section and the parents for their help throughout the season. It is good to see we are starting to be recognised in the water as well as the beach, well done kids.

Finally, thanks for the support I received from the Committee which made my job easy, and thank you to all members for supporting your Club.

**Steve Connor,
President**

JUNIOR ACTIVITIES COMMITTEE

With completion of the 1996/97 season, it is with great pleasure that I congratulate all members of the Seagulls on their sportsmanship and behaviour at Club pointscores, inter-Club carnivals and when attending Club functions.

Once again our Seagulls have had a great season both at carnivals and pointscores. 91 Seagulls were capitated and 30 Sea Babies registered. Sunday morning pointscores were well attended, with 36 children gaining 100% attendance awards. This is a great effort considering most of these children also attend inter-Club carnivals each week.

The Seagulls attended six Illawarra carnivals, the Illawarra Branch and State. At most carnivals the Club was well represented, the best being 58 at the Stanwell Park Carnival. 39 competitors attended the Branch Championships bringing back a host of medals. 30 competitors attended the State Championships at Cudgen/Kingscliff, but we were not successful in gaining a medal this season.

Thank you to the parents who helped out at carnivals and those who travelled to the State, thank you for ensuring the children had a fantastic time.

Five of our children were selected into the Illawarra Branch team this season in both water and beach events. Our Club is very proud of their selection and performance.

Our nominee for the Illawarra Junior Life Saver of the Year was Alicia McCormack. Alicia made the short list of finalists, and is a great ambassador for our Club.

Replacement of the National Awards with the new Surf Education program took a lot of organising and learning the new system. Thank you to Peter McDonald and your very small band of instructors. Next season, hopefully with more people prepared to instruct, we will see more improvements with this new program.

Unfortunately for our very enthusiastic Seagulls and one enthusiastic instructor, weekly board and surf training had to be cancelled because of a lack of instructors and water safety. This was not good enough and not fair on Rod Hampson or the children.

Our children need regular training for their confidence and to be competitive and more support is needed. Thanks Rod for your sustained efforts.

Congratulations and a very big thank you to Tracy Buckley for securing donations to replace and acquire new competitive equipment and to the many donors who supported us.

Best wishes to the U/14 Seagulls who have now moved onto the senior ranks, not only are they all keenly enjoying patrols but have also swelled the ranks of the Friday evening Junior Group. Peter and Sandra McDonald surely have a winning recipe for keeping our youth interested, having fun together and thereby retaining them in our Club.

Thank you to the Committee and officers for your help and support, and to the various Age managers and parents who help with pointscores and carnivals each week. Thank you also to the many seniors who help with water safety, March Past and board training each week.

Special thanks to Evan Griffiths and Steve McDonald for their assistance with R&R training.

Finally thank you to Bill Heiler, our outgoing Chairperson for your efforts and support over the last two seasons. Although standing down, the Seagulls Committee hope you will continue to be around to assist the Seagulls in the future.

Ron McCormack
Secretary, J.A.C. Seagulls

LIFE SAVING ACTIVITIES

- * **No Lives Lost during Clubs' rostered patrol hours**
- * **33 persons rescued**
- * **First aid rendered to 59 persons**
- * **111 proficient life savers and 26 U/16's (Cadets)**
- * **12 new life savers join this season**
- * **60 patrol members (53%) attend 100% of patrols**
- * **A missed patrol at Illawarra Branch radio base costs The Park the BHP Patrol Competition**

Thank you to all patrol members for your efforts this season, and particularly to those who honoured their commitment with 100% attendance.

Congratulations to Andrew Taylor, Patrol Member of the Year. Andrew attended 52 hours of patrols and showed he is a dedicated patrol member and future patrol captain.

The Patrol Competition was won by Patrol 7 led by Mark McCarthy and Luke Potter. Congratulations to the patrol members for their excellent effort in attendance and vigilance whilst on patrol.

Thank you to Evan Griffiths for running the Club's patrol competition.

Regrettably, through an oversight the Club failed to attend a Radio patrol at Fairy Meadow radio base during January, resulting in an automatic 400 point deduction in the BHP Patrol Competition. Had these points not been lost, we would have won the Competition outright.

Thank you to Steve McDonald and his team of instructors for the many awards gained this season. Also to Peter McDonald for training of the Under 14s in the Surf Life Saving Certificate. I welcome these younger members to the senior ranks and encourage them to gain their Bronze Medallion and other awards as they reach the right age.

To Mark Ryan and Steve Connor, your help in ensuring the IRBs are available for patrols is appreciated.

I would also like to thank collectively those who helped on Gear Inspection Day (our gear was well presented again as usual), Wayne Dregghorn for maintaining the First Aid Room, Matthew McDonald for maintaining our rescue boards in good condition, and the many members who helped make the carnival successful.

To Matt White, thank you for organising Saturday patrols and assisting in the smooth running of patrols.

The number of patrol members is gradually increasing as shown on the next page. Assuming the same number of patrol members next season, we will look at increasing the number of patrols from 11 to 13.

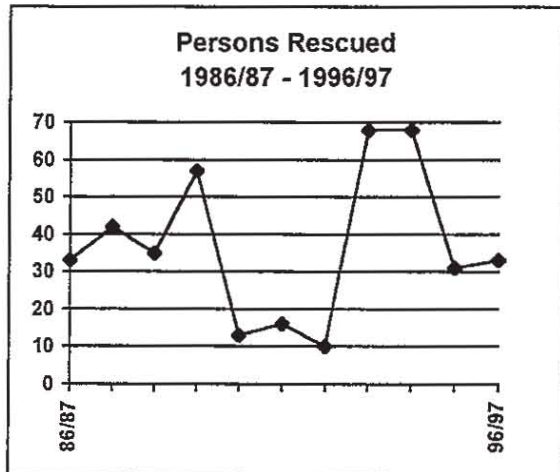

Finally I take this opportunity to congratulate James Potter on his success in the Under 18 Flags at the Australian Championships winning the Club's first ever Gold Medal, and to Kurt Herrmann for winning Bronze in the Australian Championships Board Riding.

Congratulations to all other competitors who have worn The Park cap this season.

Mark Thompson
Club Captain

LIFE SAVING ACTIVITIES

Rescues and First Aid Activities

Rescues - 33 persons -

- * 9 without any gear
- * 4 with rescue tube
- * 8 with rescue board
- * 12 with IRB.

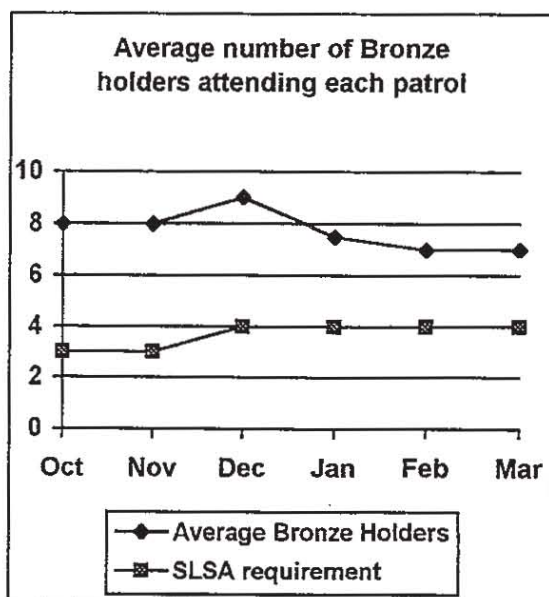

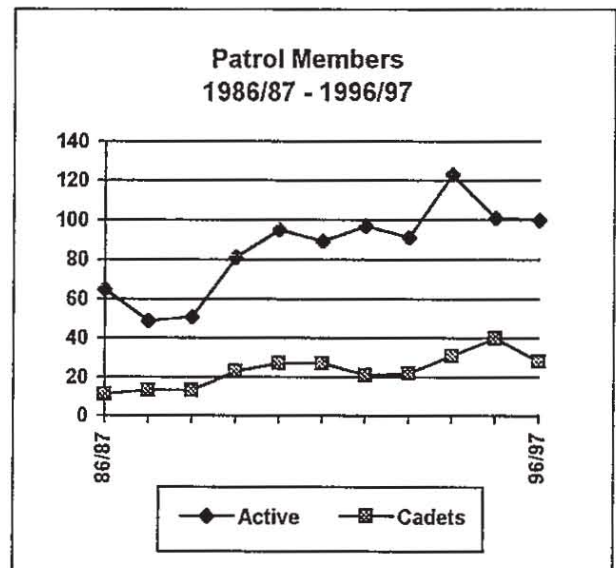

Preventative Actions - 655 persons warned or directed to safety

First Aid treatment -

- * 55 stngs (bluebottles, etc)
- * 4 cases minor first aid.

Patrol Membership

- * 100 Bronze Medallion holders undertaking patrols at end of season; 82 male and 18 female (111 proficient)
- * 28 Cadets (17 male and 11 female) on patrol at end of season.
- * 11 Patrols each with average of six Bronze holders and minimum of one IRB Driver.
- * 60 members attend 100% of patrols

Minimum Patrol Requirements as set by Surf Life Saving Illawarra

- * September, October and November - 3 Bronze holders on Sundays and public holidays (8 hour patrols).
- * December to April - 4 Bronze holders on Sundays and public holidays (8 hour patrols).
- * Saturday patrols (4 hours) December, January and February with 3 Bronze holders.
- * Minimum one proficient IRB Driver on each patrol.
- * 3 radio patrols at Fairy Meadow radio base

INSTRUCTION AND TRAINING

- * **12 new members join and gain initial SLSA award**
- * **20 Bronze Medallions**
- * **19 Surf Life Saving Certificates**
- * **5 Advanced Resuscitation Certificates**
- * **2 IRB Drivers and 1 Radio Operators Certificate**
- * **98% of Junior members trained and qualify in Surf Ed Certificates**

Another good season with 47 awards gained. Bronze candidates ranged in age from 15 to 42 years and included nine new members.

16 candidates for the Surf Life Saving Certificate graduated from the Junior Activities Group. Another three candidates were new to the Club.

The new Bronze exam paper presented some difficulties with candidates required to concentrate more on learning the theory side of the manual rather than getting out in the surf and doing the practical work.

ARC training has been refined down to a course lasting five weeks, including the examination. ARC training courses are on-going during the winter months.

Only two IRB Drivers Certificates were gained, with both candidates having to rely on training external to the Club.

Proficiency Tests -

The season ended with 111 proficient Bronze Medallion holders and 26 proficient Surf Life Saving Certificate members.

18 members were re-assessed for the Advanced Resuscitation Certificate, and 22 members passed the IRB Proficiency.

Juniors

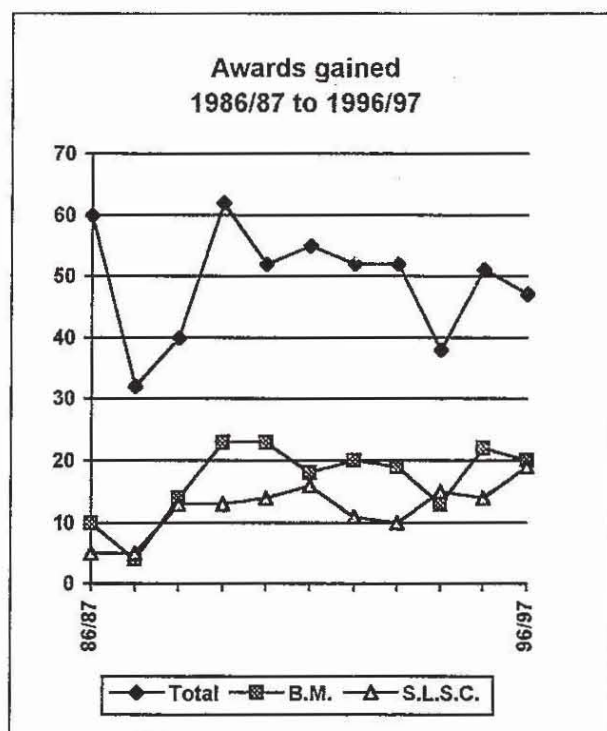

This year saw the introduction of the Surf Education program to replace the National Junior awards. 98% of the Junior members successfully gained their Surf Ed Certificates, thanks to Peter McDonald and a small band of instructors.

Thanks to the shrinking team of instructors - Don Harris, Peter McDonald, Steven McDonald and Peter Turner.

Thanks to other Club members who helped out with training and conduct of the proficiency tests during the year.

Thanks also to District Supervisor Evan Griffiths for his help and guidance during the season.

Steven McDonald

GENERAL MATTERS

- * **Poor attendance at Management Committee meetings**
- * **Membership fees reviewed and restructured**
- * **Long Service Membership category for former patrol members**
- * **Planning seminars cancelled due to lack of attendance**
- * **Club lacks a detailed Asset Register**
- * **Proposals to extend/alter Club building to be dealt with on a co-ordinated basis**
- * **Club building needs tender loving care**
- * **90th Anniversary Year approaches**

Management Committee Meetings

Average attendance of officers at meetings was nine, less than half of the 19 appointed officers. Meetings were held monthly from August to May.

The agenda and structure of meetings was reviewed during March with the intention of restricting meetings to two hours, and encouraging more officers and members to attend the monthly weeknight meetings.

Three meetings of the Executive Committee were held.

Action Lists arising from Meetings

To assist officers follow up on tasks arising from Committee meetings, action lists were prepared; however at the end of the year, there was still a large number of items requiring attention.

The Park Bench

Issues were again irregular because of the workload of the Secretary and Assistant Secretary in other areas of the Club. The Management Committee acknowledges the value of The Park Bench as a communication medium to members and has amended the Publicity Officer's duties to include this task.

Planning Seminars

A planning seminar to develop a forward plan and promote the whole Club (both senior and junior sections) as one to work towards gaining a major sponsor, was deferred through lack of attendance.

A second date was set but the seminar was cancelled through lack of attendance.

Club activities/functions

Following is a list of activities, some of which were arranged/organised by the Social Committee -

Patrol Captains Seminar, 29.9.96
Competitors meetings, 29.9.96
Start of Season Night, 19.10.96
H.W.C. Parade, 2.11.96
Jnr/Snr carnival, 9.11.96
H.W.C. Ball, 9.11.96
Evan Griffiths Dinner, 16.11.96
Collection Day, 23.11.96
Official handover IRB, H.W.C. 28.11.96
Boaties Ball, 30.11.96
Christening IRB, 15.12.96
Donors/Sponsors Dinner, 1.3.97
Patrol Dinner, 3.5.97
Car trial, 18.5.97
Presentation Night, 27.6.97

The J.A.C. held other functions and the Junior Group (under 18s) held regular Friday evening activities in the Club house.

On 16 November 1996 a Testimonial Dinner attended by 200 Club and SLSA members, friends and members of other sporting bodies, was held in honour of Evan Griffiths. The function was organised by Jannine Powell and was a fitting tribute to one of our Life Members.

During November, the Club participated in the Centenary functions of our major donor Helensburgh Workmens Club, attending the Centenary Ball and participating in the street parade with both senior and junior members marching, a decorated float (thanks to John Ryan) with the "Burgh Workers" IRB and the Jim Thorn surf boat.

Surf Club Re-union

Jack McMillan with the assistance of Keith Newell has strived hard over the past two years to invigorate the Old Boys Re-union, now more aptly referred to as the Surf Club Re-union.

Questionnaires were sent to older members seeking suggestions on the venue, whether the re-union should be an annual or two yearly event, and general comments. Of those who responded, about half nominated the Surf Club as the preferred venue.

A five person organising committee will be established and elected at the AGM.

Registration of Members

Membership fees were reviewed during the year and restructured to include family membership.

SLSA requires all members (from age 7 upwards) to complete annually a membership application form. To facilitate completion of these forms, a position of Registrar was created and was filled this year by Steve McDonald.

To facilitate completion of forms by members, Steve "computerised" the form and developed a data base which effectively prints the form with members details. It is expected this will be extended to include the Junior members next season.

Club Rules include a membership category of Long Service, viz for former patrol members who have completed at least eight years of patrols. However because of lack of records (Log books etc) to confirm that a member has met the SLSA requirement, this membership category has not been used.

The membership category will be introduced retrospectively from next season, and once Long Service Membership is granted to a member, it applies for all future seasons.

Outstanding Amounts due by Members

During the year the Committee became aware that a number of members had neglected to pay various amounts due to the Club, including Club fees and charges for tee shirts and accommodation which had been paid on their behalf. At the end of the year, the members concerned had been advised of their indebtedness to the Club.

During the year, the Committee again raised concerns at the cost to the Club of carnival entry fees when members after being entered to a carnival, failed to attend or compete.

Refreshment Prices

The Club's trading account again showed a profit, although this year profit on purchases was less than 55%, far below previous years where profit has been closer to 80%. A review of prices is proposed.

Changes to Rules, By-Laws & Regulations

The Management Committee became aware that current Club Rules permit all members to vote on almost all matters; members include Juniors from age 7 upwards.

Prior to the 1991 Constitution changes, only members over the age of 14 years or those holding the Surf Life Saving Certificate were eligible to vote on all matters, with those under 14 restricted to voting on issues relative to the Junior Activities Committee only.

Recommendation has been submitted that the previous arrangements should be re-introduced and a Motion to amend the Club By-law will be dealt with at the AGM.

90th Anniversary

Next season marks the 90th Anniversary of the Club, and special functions including a Dinner are proposed.

Already the Club has been granted approval to host the 1998 Branch Championships.

GENERAL MATTERS

Club Building

The House Committee reviewed suggestions from members to extend the Club building in various ways, including a "garage" at the western end (to replace the container) with a flat roof and BBQ area on top, a verandah on the southern side, and a deck in front of the current observation room.

The Committee decided that ad hoc proposals were not acceptable and a total consolidated plan should be developed and approved by the Club before any extensions or alterations were progressed. The Committee requested that all members be invited to submit suggestions for consideration as part of the overall plan. This will be progressed early next season.

The Committee acknowledged with thanks the regular cleaning work carried out by Sandra and Peter McDonald, but agreed a weekly cleaning roster would be a fairer method for all concerned.

The Committee reviewed charges for private hiring of the Club house, but recommended no changes at this time.

The Management Committee approved a recommendation that half of the profit from refreshment sales each year be allocated towards Clubhouse extensions.

Proposals were developed to upgrade the First Aid Room with new cupboards etc and a donor is being sought to donate materials.

A review of keys on issue to members was commenced and keys are being withdrawn from members who no longer require them.

Some maintenance works have been undertaken, such as replacement of the rusted metal rail around the upper level landing, with a concrete block wall.

The interior of the Club building as previously reported needs "tender loving care" and working bees need to be programmed to rectify.

During the year, ski and board racks and other fittings in the boat shed became dangerous through rusted parts; temporary repairs were effected.

Safety matters (including OH&S issues with storage of fuel) were considered, and further review is required to ensure the Club is complying with rules and regulations.

Advice was received through Surf Life Saving, Illawarra that Council was no longer proposing that individual Clubs enter into a lease arrangement for surf club buildings, ending a controversy which may have seen clubs meeting on-going maintenance costs.

Discussions with Council officers resulted in upgrading of the drainage system. Further discussions are required regarding tar sealing of the car park, and general maintenance to the building and surrounds, and disposal/recycling of Club waste.

Council sought approval for its lifeguards to utilise the patrol/radio room on days of inclement weather. Approval was granted for the current season only on condition Council indemnify the Club against any claims for injury, loss or damage arising from Council employees occupying the patrol room.

Asset Register

The Club still does not have a detailed Asset Register, making it difficult to account for Club property. The J.A.C. has identified and categorised all property under its control, as listed in the report.

An IRB and two motors were sold during the year. Two surplus metal fuel tanks which were to be sold, appear to have been stolen.

A new IRB and one motor was placed into service during the year.

Various requests have been made to the Committee to acquire additional hand held radios, a shade area for patrols on the beach, a new IRB fuel tank and a trailer for the IRB as well as competitive equipment.

Representation at Branch, State and Australian level

The Club was well represented at Branch level with Don Harris holding the position of Superintendent, and Jeff Lucke B.J.A. Superintendent.

Peter Beehag, Evan Griffiths, Don Harris, Jeff Lucke, Peter Turner and Bob White were accredited as Examiners and Competition Members, Mark Ryan as a Specialist Examiner (IRB), and Klaus Herrmann and Ron McCormack as Competition Members

Evan Griffiths held the position of District Supervisor for Stanwell Park and Jeff Lucke District Supervisor for Coal Cliff. Jeff Lucke was a member of the Life Membership Honours Committee.

Evan Griffiths and Bob White were members of the BHP Patrol Inspection Panel and Peter Beehag, Evan Griffiths, Don Harris and Jeff Lucke were members of the Gear Inspection Panel.

Mark Thompson was B.J.A. Team Manager.

At State and Australian Championships, our members were appointed as follows -

Don Harris State Masters Water Area Referee, State Boat Sectional Referee, and Australian Boat Sectional Referee; member of the NSW Surf Boat Premiership Panel.

INTER-CLUB COMPETITION

- * **Our first Australian Gold Medal**
- * **James Potter - Australian Under 18 Flags Champion**
- * **Kurt Herrmann - 3rd Under 18 Board Riding Australian Championships**
- * **Two State Medallists, Patricia McCarthy and Kurt Herrmann**
- * **History as the Potter brothers take out 3 Branch Flags events**
- * **10 Gold, 6 Silver and 5 Bronze Medals at Branch Championships.**
- * **5 Gold, 13 Silver and 16 Bronze at Junior Branch.**
- * **Boaties expanding membership with plans for a big season in 1997/98**
- * **Carnival entry fees become a financial concern to Club Management**

Competitively it has been a tremendous season with many great results and personal achievements at local carnivals and Championship events.

Again there were not a lot of competitors from The Park, but those who did compete showed they had trained hard and were well prepared.

The season started with the Under 18 boat crew achieving good results, getting placings in all of the early season carnivals and winning others. Regrettably with the grading of Jason Brown in rep football, the group disbanded mid-season, but re-united to compete in the Branch Championships with a 4th placing.

For the first time, the Club entered a female boat crew; although still a little inexperienced, they had a good year and should be proud of their efforts.

The senior crew made six finals during the season, and performed well at the State making it through three rounds before being knocked out.

At the delayed Branch Champs, the boat suffered major damage but thanks to Marty Drysdale and the rest of the team, the boat was repaired for the Australian.

As Boat Captain Craig Pritchard commented "two weeks out of training took its toll with a shocking first row" having to win the next heat to continue. The crew rowed an exceptional race, but unfortunately were pipped at the line.

As the season drew to an end, the boaties had a number of irons in the fire for next season, with the prospect of two experienced sweeps joining the Club - Gordon Harmon and Colin Martin.

The boaties had also started a fund raising venture aimed at buying a new boat. At the same time the NSW Surf Boat Premiership Panel approved an application from The Park for a seaworthy boat to be handed over from North Cronulla (winners of the Sunday Telegraph boat).

The beach competitors notched up a number of wins at local carnivals, particularly with the Potter family, Trish McCarthy, Andrew Astill, Russell White, Matt McDonald, Carly Lawrence, with the Herrmanns competing in Board Riding.

The Branch Championships with the Potter boys gaining 1st three placings in the Open Flags, and individually firsts in the Under 16 and Under 18 events and must surely be a record for one family.

Mark Thompson was unlucky to get pipped at the post in the Over 30 Flags by a former Park member who ventured further south for competition this season. Mark won the Over 30 sprint.

Trish McCarthy won three Golds and a Silver in Beach events, with Carly Lawrence gaining a Silver in the Open Womens Surf Board Riding and a Bronze in the Open Iron Woman.

INTER-CLUB COMPETITION

Kurt Herrmann commenced his climb to the Australian, winning the Under 18 Board Riding, with brother Karl 2nd in the Open.

A small team, including the Open Boat Crew ventured to the State Championships at Mollmook, with Trish McCarthy and James Potter bringing home 3rd placings.

The culmination of the season was surely the Australian at Kurrawa, with James Potter winning Gold in the Under 18 Flags, and Kurt Herrmann third in the Under 18 Board Riding. Another Club record - our first ever Australian Gold.

Well done James and Kurt, and congratulations to all competitors on your efforts this season.

I am pleased to report that our band of competitors have all done The Park proud this season, and whilst attending carnivals and as part of touring teams, there have been no reports of misbehaviour.

Thanks to Peter and Sandra McDonald for your assistance with carnival entries, always ensuring that entries were in on time.

Carnival entries and entry fees have become a matter of regular discussion at Management Committee meetings and some better arrangements need to be in place next season.

I feel it is necessary to again draw to the attention of competitors the cost to the Club of carnival entries. Whilst the Management Committee supports the payment of all carnival entry fees on behalf of competitors, the Committee has been very concerned at losses incurred when competitors who requested entry to a carnival, do not attend or do not compete.

The Committee is proposing to meet again with competitors prior to the start of next season.

"Burgh Workers"
on its launching

WINTER SWIMMING

- * **More members become involved in Winter Swimming**
- * **Major donations to The Park and Coal Cliff Surf Clubs**
- * **Major donation to Baringa**
- * **Club hosts first Winter Swim Ladies Day in the Illawarra**

Following the successful 1995 season, there was concern that maybe in our eighth season, enthusiasm and numbers would drop off. We could not have been further from the truth as 70 members of The Park and neighbouring club Coal Cliff turned up for our regular Sunday morning dips.

Rod Hampson took over as new President, ably assisted by new Captain Paul Robberds, both putting new vigour and interest back into the group.

22 swimmers attended 100% swims facing the elements of the weather and decreasing water temperatures for 21 swims. Handicapper Steve McDonald with the assistance of Peter Turner organised heats, finals and relays, a thankless job with so many other experts giving advice and complaining of their handicap on the day. Chief Timekeeper Graham McCrae and his band of timekeepers and judges kept the records straight with more accuracy than an electronic touch pad.

The Social Committee led by Marg and Peter Hunt is to be highly commended for its efforts over the entire season, raising money through our lotto and regular raffles, and organisation of the Seafood and Beef and Burgundy evenings. Thanks to the many helpers on these evenings especially our young adults who played "mine hosts" for the nights.

Special thanks to delegates Mike Walsh, Dave Winner and Klaus Herrmann who attended all South Coast Association meetings to keep us well informed.

Fines Master Jimmy Dalmer and his apprentices Dave Winner and Paul Robberds spent most of the season concocting stories and gossip about our more honest members, all under the disguise of fundraising. A great effort.

We once again had the pleasure of a visit by the disabled children from "Baringa". The children received gifts and were musically entertained by Dave Winner. Thanks to John Murphy, Peter McDonald, Paul Robberds and Peter Turner for donations. The Sea Eels made a donation to the Baringa Trust Fund of \$1,250.

Other donations went to Coal Cliff SLSC \$1,000 for the purchase of a rescue board, The Park \$1,000 for the purchase of twoambu-manikins, Childrens Cancer Institute \$100 and the Helensburgh people who lost their possessions in a fire \$100.

Another first for the Sea Eels was the hosting of the "Ladies Day" Thirty swimmers from Bondi Mermaids and Cronulla joined our ladies for competition and socialising. A very successful day thanks to the efforts of Shirley Lindsell.

Other social events were two visits to the Coal Cliff Surf Club, where we are always made welcome, a visit by Bellambi Blue Bottles, a visit to Bulli Sea Lions.

Finally we won the Phil Anger Memorial Golf Trophy from the Helensburgh Workmens Club team, this is equivalent of taking the America's Cup off the Yanks. Special thanks to Bob Britten and H.W.C. for their interest and support.

The success of a Club's season has to be measured from start to the very finish, and when over 100 swimmers and guests turn up for the championships and presentation day it suggests that something must have been done correctly during the season. Or maybe it was to witness the defrocking of Captain Paul's much loved pont tail and moustache, the result of a small wager. You've got to admit the pony tail did look better as a wig on Macca.

WINTER SWIMMING

The most sought after trophy, the S.H.I.T. (soup has individual tastes) award was won outright by Bill Heller, it by no means was the worst soup we have had over the years but it certainly came close.

A new trophy donated by Stan McCabe and superbly crafted by Sparrow King for Club Person, went to Ernie "Tom Dick" Valbusa, the man who invented not paying for items with cash long before plastic money was even thought of. The Sea Eels are sincerely

grateful to Ernie for his contribution to the club, not only over this season but over a number of years, for his generosity, good will and dedication.

Special thanks to our donors, Rick Fleming Cakes of Thirroul, Ian Jones, Butcher of Thirroul, and Ron Kissells Family Meats of Heathcote.

Peter McDonald, Secretary
