

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB Inc

92nd Annual Report & Financial Statements 1998/99

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB Inc

92nd ANNUAL REPORT - 1998/99

Members,

I submit herewith on behalf of the Management Committee, the 92nd Annual Report for your consideration and adoption.

The report includes financial statements for the year ended 31 May 1999.

**Harley Dreghorn
Secretary**

18 July 1999

CLUB OBJECTIVES

Extracted from Club Rule 2 -

- *The study and practice of the methods of surf life saving as taught by Surf Life Saving, Australia*
- *To minimise the loss of life from drowning by providing efficient life saving apparatus*
- *To promote demonstrations and arrange classes of instruction and to further the best interests of surf bathing and surf life saving*
- *To appoint patrols to render all possible aid to those in distress*
- *To organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives*
- *To exercise the power to acquire, lease or hire or in any way deal with any real or personal estate*
- *To act as governing body of the Junior Activities Committee and to provide assistance to that section in the field of competition and training*
- *To carry on any other activity whatsoever calculated directly or indirectly to enhance further the interests of the Club.*

OUR DONORS

Helensburgh Workmens Club Ltd

Our major supporter continues to be the Helensburgh Workmens Club Ltd, with the President of that Club again accepting the honour of being Patron of the Surf Club.

The Anzac Day Two-up Game was run by the Surf Club in the Workmens Club again this season resulting in \$530.00 being raised through donations from players.

At the start of the season, the Surf Club took delivery of a sun shelter which had primarily been purchased from Surf Club fund raising efforts. Side panels with two donors names, that of HWC and another major supporter of Surf Life Saving, have been affixed to acknowledge to the public on the beach the support given by HWC to our Club.

Our appreciation is extended to the Board, management and members of HWC for its on-going commitment towards the Surf Club's community service and youth development activities.

Appeal Day/Collection Day.

A total amount of \$4,527.70 was raised, and to all local residents who supported our cause, thank you.

These funds were allocated purely towards our Club's rescue and training activities, with one of the new rescue boards sign written to acknowledge the support of local residents.

Stanwell Park Sea Eels

The Winter Swimming group donated a further \$250 for the purchase of rescue equipment, in addition to donating a similar amount to Coalcliff Club.

The Sea Eels also donated funds and hosted a day out for the children from Baringa Centre during July 1998 and Cram House in June 1999.

The donation was used towards the purchase of a rescue board which has been sign written to acknowledge the support of the Sea Eels.

Registered Clubs Asscn. Car Raffle

The Registered Clubs Association of Illawarra/South Coast (RCA) sponsored a major Surf Club promotion and car raffle again this season.

2,900 tickets were sold by the Club at \$1.00 each. This amount was returned to the Club with a further \$2,035.00 share of the RCA "pool fund" making a total net return of \$4,935.00

Thank you to all who were involved in organising this raffle and to the many people who purchased tickets.

NSW Government

A \$ for \$ grant of \$680.00 was received through Surf Life Saving NSW for the purchase of two hand held radios. This grant was made through the NSW Department of Sport and Recreation.

Anonymous Donors

Thanks to two organisations which wish to remain anonymous, donations of \$1,680.00 and \$500.00 were received to enable the Club to acquire two new rescue boards, and to match the State Government grant for the purchase of the two hand held radios.

Thank you to the following donors -

- **ABC Shop, Miranda**
Raffle prize
- **Dr Annette Beaufile, Helensburgh**
Equipment for Juniors
- **Berts Soft Drinks, Kirrawee**
Raffle prize
- **Binnars Farm, Helensburgh**
Raffle prizes
- **Black Swan Engineering, Kirrawee**
Training equipment for Juniors
- **Coastline Real Estate, Helensburgh**
Training equipment for Juniors
- **Heathcote Photo Extra**
Raffle prize
- **Helensburgh Lions Club**
Waived charge for stall, Helensburgh Fair and general donation

OUR DONORS

- **Helensburgh Masonic Centre**
Training equipment for Juniors
- **Jonno's Pizzas, Helensburgh**
Raffle prize
- **Kissells Family Meats, Heathcote**
State Championships team uniforms for Juniors, and patrol uniforms.
- **Lowcocks Chemmart, Helensburgh**
Sun glasses for Junior March Past team
- **Marge Palmer, Helensburgh**
Donations from Christmas nativity display (\$365.00) for surf life saving equipment, and raffle prizes.
- **Novotel Hotel, North Beach Wollongong**
Raffle prize
- **O'Donnell Griffin Electrical Contractors, Wollongong (Tyco Aust)**
Patrol uniforms.
- **Andrew Perrin Building, Helensburgh**
Patrol uniforms.
- **Pot Shop, Heathcote**
Raffle prizes
- **John Powell Manufacturing, Sydney**
Patrol uniforms
- **Roslynn Qui, Campbelltown**
Raffle prize
- **Skate Plus, Cronulla**
Raffle prize
- **Sid's Hardware, Helensburgh**
Training equipment for Juniors
- **Sunrise Nurseries, Helensburgh**
Raffle prize

Taste Buds Cake Shop, Gymea
Donation food for carnival and Junior presentation day, and tee shirts for Juniors

- **Whitehall Engineering, Stanwell Park**
Membership cards and rash vests

Donations for competition trophies were received from -

- Norm & Lenore Bartlem, Bald Hill
- Roy & Marilyn Gavel, Stanwell Park
- Harry & Leonie Harris, Helensburgh
- Peter and Sandra McDonald
- Ian McManus
- Janine Powell, Helensburgh
- Jason Powell, Helensburgh

Donations from Club members -

- Con Asmussen
- Bill Dodd
- Harley Dregghorn
- Alby Frankland
- Bill Jardine
- Bob Malcolm
- Jack McMillan
- Dick Pavet
- Bryant and Phyllis Phillips
- Doug Ryder
- Tom Sneyd

*Throughout the year and in many different ways,
our Club has been supported by many people
as well as those listed above.*

*To all our supporters and donors,
please accept the sincere thanks and appreciation
of the Club Executive and Club members.*

PRESIDENT'S REPORT

This year as has been the case for a number of years, our patrolling numbers are very high, which helped us keep our good record of no lives lost during patrol hours.

Due to great weather early in the season, thousands of people headed to beaches all over the State with a number of lives tragically lost at other beaches. With a little luck and a lot of skill our patrolling members pulled off some of the most miraculous rescues for many years.

My thanks goes to Club Captain Mark Thompson and the patrolling members for a very hard job; well done.

There were some fine efforts at carnivals during the season with Simon Harris successfully defending his Open Beach Flags title at the State Championships and almost "icing the cake" with a Silver at the Aussies, leaving no doubt that he has shown his knockers that he now is a true champion.

Besides Simon there was a general good showing from the beach team with Matt Potter and Andrew Astill in good form all season.

For the first time in many years, we had some enthusiastic water competitors with Paul Bedwell, Daniel Thompson and Alicia McCormack, Paul putting in some great efforts during the season. Let me take this chance to thank Kev Morton for his work training our water competitors.

Unfortunately our boat fraternity suffered a down turn in numbers with our Vets crew having a year off and some members leaving for other clubs. Thank you to Mark Wallace for his continued enthusiasm and to those who did row for showing the Club colours in the boat arena.

Fund raising this year was quite successful with the Registered Clubs Association car raffle, lifesavers appeal day and a Christmas raffle, plus the annual Two-up Day at the Workmens Club with enough members helping out to raise over \$500.00.

My thanks goes to Sandra McDonald, Louise Anger and Jack McMillan for their help with the car raffle, to all members especially the large number of Junior Activities members who helped out on collection day, and Marge Palmer for the very kind donation for our Christmas raffle, and our new recruits for the Two-up Paul Robberds and Hilton Barnett.

One of my aims this years was to maintain a close bond between the junior and senior sections of the Club so that the parents of the Junior members who may not be so familiar with the running of the Club, can have a better understanding of the policies, regulations and demands on funds that are essential for the overall running of the Surf Club. With the assistance of both Ron and Debra McCormack and the Junior Activities Committee I feel we have gone a long way in 12 months to addressing this.

Thank you Ron for your help and support, and to Debra who is standing down from the role of Junior Activities Secretary, thank you for your many years of tireless work and huge commitment to the Club.

Social activities during the year were minimal except for our Annual Patrol Dinner and Presentation Night. This year venues were swapped with a more positive response in attendance and enjoyment by members.

Lastly but definitely not least let me thank the very able and committed Executive Committee and all other committees which worked to make our Club the great Surf Club it is. My thanks goes to Harley Dreghorn, Peter Turner, Mark Thompson and Peter and Steve McDonald who really are the backbone of the Club at administration level. Your efforts are greatly appreciated by myself as I am sure they are by the rest of the Club.

David Anger
President

JUNIOR ACTIVITIES

The 1998/99 season has been another of a high standard for our Club.

Not only has the Club gained great results at local carnivals, we have also had four of our Junior members selected to compete in the Illawarra Branch team; congratulations to Rhett and Ashley Russell, Laura Humphries and Luke McCarthy.

In the Junior Branch Championships, our Club excelled in the All Age Relay and March Past events and brought home the two trophies.

Probably our only "regret" for the season is the loss of our Secretary, Debra McCormack. Even though Deb is standing down I am sure she will still assist in her usual way wherever she can.

Thank you to all Committee members, Age Group Managers listed below and many parents who helped with pointscore and carnivals each week.

I would like to thank Dave Anger and the senior committee for all their support during the season. It is a pleasing feeling that I have, that the junior and seniors continue to move forward together as one club.

I look forward to next season and hope that our Club will become stronger and that our nipper members will gain more water confidence

Ron McCormack
Chairperson, Junior Activities Committee

Age Group Managers

U/6 and U/7 Years	Andrew Perrin Ray Moss
U/8 Years	James Baker Brad Garrick Murray Dowling
U/9 Years	Dave Astill

U/12 Years	Ray Buchan Shanus Lane
U/13 Years	Julie Humphries Maree Russell
U/14 Years	Phillipa Barnett Geoff Ryder

LIFE SAVING ACTIVITIES

Another season has come to an end and I would like to take this opportunity to thank all our members for their efforts in patrolling Stanwell Park beach.

Our efforts on the beach measured by checks on patrol efficiency and attendance for patrols resulted in the Club gaining 3rd place in the BHP Patrol Competition run by Surf Life Saving Illawarra.

I would also like to thank the members who help out with water safety every Sunday, without your help our nippers would not be able to get into the water.

This season saw 60 members gain 100% patrol attendance, to me the most important award in the Club. Well done to these members.

Congratulations to Darren Saunders on winning the Patrol Member of the Year award; Darren did an excellent job this season and showed he is a very dedicated patrol member and strong Patrol Captain.

Patrol 4 led by Peter Turner with Bill Haran as Patrol Vice Captain gained 1st place in the Club Patrol Competition, well done to everyone in Patrol 4. A big thanks to Evan Griffiths for running the Patrol Competition.

Congratulations to all competitors who represented our Club at carnivals this season. We did not have a large number of competitors but gained many awards.

This season saw a large number of awards gained, this was due to the effort of Steve McDonald and his team of instructors. Next season I would like to see more members gain their IRB Drivers Certificate as we desperately need IRB Drivers for patrols.

In closing I would like to thank Luke Walsh for his support and help in running the Club as Vice Club Captain and to Lorna Dreghorn who did an excellent job as Patrol Secretary; also to the Committee of the Club for its on-going support.

Mark Thompson
Club Captain

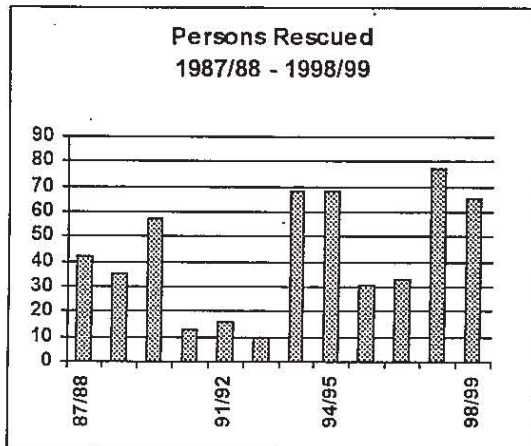

Vale

It is with regret that we record of death of Jan Powell on 16 January 1999 following a short illness. Jan was a strong supporter and dedicated worker with the Junior Activities Group particularly during the period 1982 to 1992 as Point Score Recorder when she attended and assisted at all Club point scores, junior carnivals and State Titles.

To Jan's family and other families who have lost loved ones during the year, the Club and members extend their sincere condolences

LIFE SAVING ACTIVITIES

Rescues and First Aid Activities

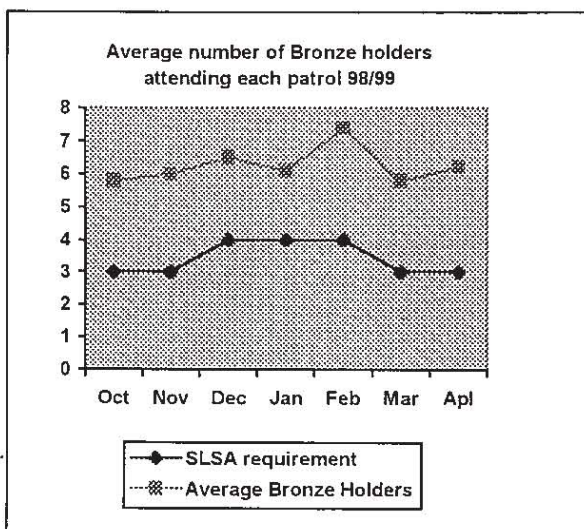

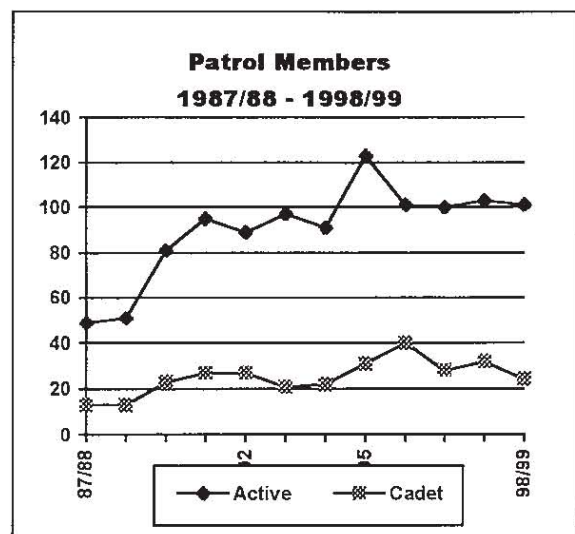

- **Rescues** - 65 persons -
 - 3 without any gear
 - 14 with rescue tube
 - 1 with rescue ski
 - 36 with rescue board
 - 11 with IRB
- **Preventative Actions** - 652 persons warned or directed to safety
- **Emergency Care/First Aid treatment** -
 - 2 resuscitation
 - 49 stings (bluebottles, etc)
 - 9 cases minor first aid
 - 3 cases major first aid.

Patrol Membership

At the end of the season -

- 101 Bronze Medallion holders undertaking patrols, 79 male and 22 female.
- 117 proficient Bronze Medallion holders.
- 24 Under 16 Cadet members undertaking patrols, 14 male and 10 female.
- 23 Cadet members proficient
- 13 Patrols each with an average of 8 Bronze Medallion holders and a minimum of one IRB Driver and one ARC holder
- 60 members (48%) recorded 100% patrol attendance

Minimum Patrol strengths as set by Surf Life Saving Illawarra were achieved on all patrols, and exceeded on all but six patrols.

- September, October and November, and March and April
3 Bronze holders on Sundays and public holidays (2 x 4 hour patrols).
- December, January and February
4 Bronze holders on Sundays and public holidays (2 x 4 hour patrols).
- Saturday patrols (4 hours) December, January and February with 3 Bronze holders.
- Minimum one proficient IRB Driver on each patrol.

INSTRUCTION & TRAINING

A great season in terms of awards and one of the strongest for a long time with 25 Bronze Medallions, but disappointingly no new IRB Drivers.

This season saw the release of the 31st Edition of the Surf Life Saving Training Manual. The manual has been restructured to conform with competency-based training methods. It is broken up into units consisting of Surf Awareness, Emergency Care, Basic First Aid, Senior First Aid, Basic Resuscitation, Resuscitation (CPR), Advanced Resuscitation, Radio Operations, Surf Skills, Rescue Techniques, IRB Crewing, Carries and Supports, and Patrols. Awards cover a few of many of the units listed.

Our statistics as shown in the graph shows an increase in the number of awards over the previous season, and an average of 43 awards each season for the last five years. Any increase in the number of awards gained is a step towards the continued growth of our Club.

Bronze Medallion and Surf Rescue Certificate.

The Surf Life saving Certificate or the old Qualifying Certificate has a new name, the Surf Rescue Certificate (SRC). The SRC is the introduction to surf life saving for members not old enough to do their Bronze Medallion and consists of Surf Awareness, Basic Resuscitation, Rescue Techniques, Emergency Care, Surf Skills and Patrols.

The Bronze Medallion remains the same with the traditional Run-Swim-Run the focus of the award. The BM also includes Surf Awareness, Basic Resuscitation, Rescue Techniques, Radio Operations, Resuscitation (CPR), IRB Crewing, Emergency Care, Surf Skills, Patrols, Basic First Aid and Carries and Support.

25 Bronze Medallions were gained by Club members, seven of these by members new to the Club. 17 were gained by members who have come up through the Juniors and one Associate member who decided it was time to take the plunge.

It was a good season for instructors with 12 members taking up the challenge to train fellow members for their awards. The instructors were Steve Connor, Bill Haran, Peter McDonald, Steven McDonald, Peter O'Halloran, Nicole Osburne, Paul Potter, Tanya Potter, Geoff Ryder, Steve Shorten, Peter Turner and Daryl Turnbull.

Congratulations to all members who gained their BM or SRC. Thank you to all instructors who put aside one afternoon and a Sunday morning each week to train their fellow Club members.

Advanced Resuscitation Certificate

The ARC underwent a major change this season, the age at which you can train for the award was lowered to 15 years and First Aid was dropped. The removal of the First Aid component is with the view to more members gaining their First Aid Certificate. The ARC now consists of Basic Resuscitation, Resuscitation (CPR) and Advanced Resuscitation.

This season nine members gained the award, six under the old structure and three under the new structure.

ARC Instructors this season were Peter McDonald, Steven McDonald, Peter O'Halloran and Andrew Taylor.

Inshore Rescue Boat Drivers Certificate

Unfortunately another season has passed without any new IRB Drivers. Since 1989 the Club has trained only 19 new IRB drivers not a good record. Some off-season initiatives to boost driver number are being trialled including intense training over a long weekend and follow up training.

IRB Crewperson Certificate has returned. This award is available to members over the age of 14 years and will also be offered along with the IRB Drivers award.

INSTRUCTION & TRAINING

Proficiency Tests

Bronze Medallion/Surf Rescue Certificate

The season ended with 140 proficient members, 117 Bronze Medallion holders and 23 Surf Rescue Certificate holders, a drop on last seasons numbers.

The Proficiency Test consisted of the traditional Run-Swim-run, One person assessment Tube/Board/IRB Rescues and Signal and Surf Awareness questions.

Thanks to Peter Beehag, Evan Griffiths, Jeff Lucke, Bobo White and Dave Winner for running two trouble free Proficiency Tests.

Advanced Resuscitation Certificate

22 members renewed their ARC, resulting in a total of 31 proficient ARC holders for the season.

The ARC refresher training is proving to be very successful with all proficient members attending at lease one training session before the test.

IRB Drivers Certificate

Only 16 Drivers renewed their IRBD this season, this being down on last years number of 24, possibly an indication of the Club's current problem with IRB Drivers.

Two proficiency days were organised for early October and December. Thanks to Warren Herrmann and Anthony Turner from Surf Life Saving Illawarra for coming up and running the tests.

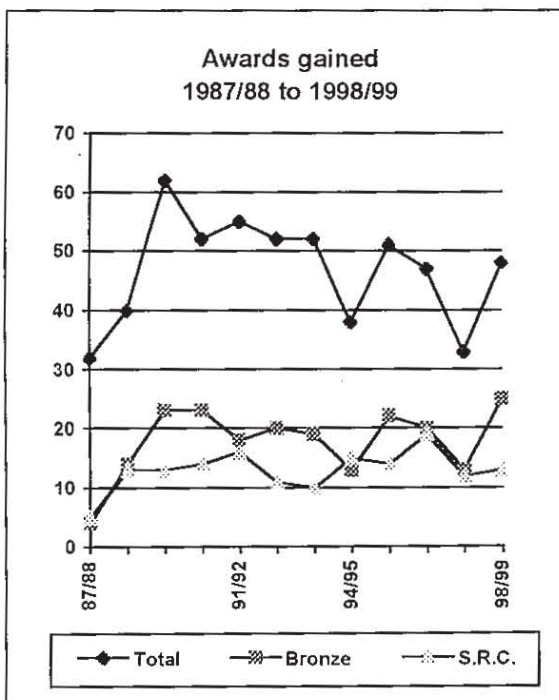

Club instructors put in a lot of time this season and this paid off with no fails in an award or proficiency test. It was good to have a couple of new instructors lend a hand, also some old hands taking on a squad.

Evan Griffiths, District Supervisor did a great job again. Evan regularly came down to training to check on progress of the various squads and was always willing to lend a hand with the training as required.

There are always squads available to be trained, be it Bronze Medallion, Surf Rescue Certificate or any other discipline. The Club has access to good training aids and there is always someone to help you out. If you would like to take a squad on please do so.

Congratulations to all members who gained an award this season and thanks to the instructors, examiners and supporters who helped during the season.

Steven McDonald
Chief Instructor.

GENERAL MATTERS

Committee Meetings

Management Committee meetings were scheduled and held monthly commencing August through to May. A meeting was not held in June.

Management Committee meetings required nine Committee members to form a quorum; this was only achieved at three of the ten meetings held, with average attendance 7.5 members at meetings over the year. Whilst three members were regularly unable to attend meetings because of work commitments and submitted their apologies, there were regrettably four members who appeared to have no interest in attending Committee meetings.

The Executive Committee met formally on three occasions. Matters discussed at these meetings were reported at subsequent meetings of the Management Committee.

The Junior Activities Committee met monthly with Junior Activities delegates reporting regularly to the Management Committee.

The Club House Committee met twice, firstly to deal with cleaning of the main hall and amenities and possible extensions, and a second meeting to consider proposals submitted by members for such extensions.

The Executive Committee convened one meeting with competitors to discuss funding for touring teams and accommodation and carnival entries generally. The agreed arrangements were not implemented during the season and carnival entries and entry fees, and accommodation arrangements for touring teams are still unresolved issues for the Management Committee to address.

The Social Committee met as required to plan specific functions.

Incorporation requirements

The Annual Statement as required under the Associations Incorporation Act, 1984 was submitted to the Department of Fair Trading for the 1997/98 year following the last Annual General Meeting.

Affiliation with Surf Life Saving, Australia

As approved at the last Annual General Meeting, the Club applied for continuing affiliation with Surf Life Saving Australia.

Liquor Licence

The Club has continued to maintain a Function Licence to enable the sale of alcohol for consumption within the Club premises. The Licence is held by the Club Secretary, Harley Dregthorn.

Membership Registration

Membership forms were again pre-printed based on information provided by members in the previous season. A computerised database containing extensive details on all current members continues to be maintained and is able to provide statistical and historical information about the Club and its members. The database continues to be managed by Registrar Steven McDonald.

Outstanding amounts due from members

The Club continues to experience difficulties collecting Club fees and other amounts payable by members. This includes amounts that have been paid on behalf of Club members for accommodation, tickets, tee shirts, etc and regrettably requires Club officers to spend unnecessary time following up these payments.

At the end of the financial year, membership fees were outstanding from 38 members, 21 of whom were patrolling members. Three members had not paid for accommodation occupied at the Australian Championships six weeks earlier, whilst there were other amounts unpaid for tee shirts supplied.

The Management Committee is pursuing these outstanding amounts.

Notices to Members

The Park Bench was issued monthly between August and June, with the Publicity Officer Christine McDonald taking over responsibility for preparation and issue from September. The Park Bench was used as a medium to convey official notices to Club members, or such notices were included as inserts.

GENERAL MATTERS

Asset Register

The documentation and valuation of all Club equipment was progressed, but had not been finalised at the end of the year.

Club House

Cleaning of the Club house continues to be a major issue although thanks to a few volunteer members, cleaning is being carried out on an ad hoc basis and the main hall and amenities are maintained in a reasonable condition.

During the year, members were invited to submit ideas for extension of the Surf Club.

Four members submitted suggestions ranging from minor internal changes, to a major extension at the western end with additional boat shed storage, training room and verandah/deck along the southern facade.

The Club House Committee now needs to meet with Council officers to determine the criteria and restrictions on possible extensions before recommending a master plan to Club members for approval.

Towards the end of the year a formal request was made to Wollongong Council to consider a joint scheme to extend the boat shed at the western end as the first stage of an extension that will allow Council lifeguards to place their equipment within the Club building, and enable removal of the Council container.

At the same time, the Management Committee has agreed on disposal of the Club's storage container and through minor re-organisation the placement of all Junior Activities equipment within the boat shed.

Half of the profit raised from refreshment sales will again be allocated to a special Building Account fund. At the end of the year, with transfer of a further \$2,800.00

representing half of this seasons bar profit, the fund stood at \$11,000.00.

The Surf Club was hired out for a small number of private functions during the year with a return of around \$500.00. However the effort and input required by Club members to liaise with potential hirers, arranging their special requirements, cleaning, setting up, and generally ensuring their expectations are met is very time consuming for a small financial return and hire outs are not actively encouraged.

If this activity is to be continued, then a person prepared to take on the role of hall manager is required, as well as more regular cleaning.

Youth Development

During the year, Surf Life Saving Illawarra organised a Youth Forum. Our Club was represented by Andrew Astill, Christopher Ryder and Michelle Ryder, with Evan Griffiths attending as one of the facilitators.

Our younger members reported back that the day consisted of casual questions and exchange of ideas and they enjoyed being involved.

Subsequently Branch officers prepared a report including the recommendations arising from the day, and these were discussed at a Branch meeting; recommendations include social functions for younger members, competition for younger members, promotion of lifesaving and the formation of a Youth Advisory Committee made up of representatives of all Illawarra clubs. It is also intended the forum become an annual event.

It is now up to our Club's committee and younger members to implement the proposals within our Club.

GENERAL MATTERS

Credits

During the year, the Club's standing in the local community and Surf Life Saving generally has been enhanced by some of our members.

At the end of last season, Evan Griffiths was awarded with Life Membership of Surf Life Saving, Illawarra, an award well deserved by Evan given the countless time he has put into Junior Activities, junior and senior carnivals, and as District Supervisor for this area.

Evan later became one of the first Helensburgh people to be awarded with a Community Service Award by the Federal Member for Hughes, Mrs Dana Vale, MP; Evan's citation read "...that he is a life member of the Helensburgh-Stanwell Park Surf Life Saving Club, and has been involved with lifesaving for 31 years. As well he has served as an honorary auditor to 12 organisations."

Bob Proudfoot, a member of our Club for many years, President of Helensburgh Workmens Club and Patron of the Surf Club was also honoured for his contribution to sporting organisations and establishment of a youth centre at Helensburgh.

Nathan Johnston, a Junior member of the Club became an overnight star in his own right as he explained to the Sunday Telegraph, Illawarra Mercury and WIN TV how he enjoyed being a member of the Club, about his activities within the Club and the Sea Eels and the help given by his parents.

Thank you Nathan for the kind words you had to say of your involvement in the Club.

Our Club was mentioned on National TV during the telecast of the finals of the Australian Championships, with Simon Harris coming from a club that does not get a mention much at the Australian Championships. A few minutes later the announcer referred to "...Helensburgh - Stanwell Park as a Club most people would probably never have heard of."

At the Branch Presentation Night, our Club was honoured with the selection of Steven McDonald as 1999 Illawarra Branch Volunteer of the Year; this is Steve's second major Branch award having won the Illawarra Branch Lifesaver of the Year award in 1991.

Congratulations Steve, and also congratulations to Mark Thompson on reaching the final 5 in the Branch Lifesaver of the Year and Ron McCormack the final 5 in the Branch Junior Activities Volunteer of the Year.

Representation at Branch, State and Australian level of Surf Life Saving

At Branch level, Bobo White held the position of Competition Director, Jeff Lucke, Board of Junior Activities Superintendent, and Evan Griffiths, District Supervisor for our Club.

Don Harris was the convenor of the Life Saver of the Year Committee.

In addition a number of Club members are active members of the Board of Life Saving Control, and/or involved as judges at carnivals within the Illawarra Branch.

Don Harris was a member of the NSW Surf Boat Premiership Panel, and together with Bobo White and Jeff Lucke, held senior judging positions at State and Australian championship events.

INTER-CLUB COMPETITION

This season for the Club was very successful. Even though there were only two local carnivals, we managed to have four competitors chosen to represent the Club in the Inter-Branch series, two beach competitors and two water competitors.

These competitors performed admirably and were a credit to both our Club and Illawarra Branch.

Our Club was well represented at the Branch Championships at Windang, with many competitors gaining places in all facets of competition, culminating in a well-earned 2nd in the March Past. Corrimal Club must surely be scared, and if ever we got around to doing some training, you never know.

Because of the lack of carnivals in our area a lot of our more dedicated competitors regularly travelled to attend carnivals from Gerringong to Elouera gaining many places

including numerous firsts. Well done to those people who were committed enough to make the trek to continue their on-going training.

The two highlights of the season were without doubt the fine efforts of Simon Harris, gaining 1st place in Flags at the State Championships and an unlucky 2nd in the Australian – maybe next year.

Finally I would like to thank all those people who assisted me throughout the year and congratulations to all competitors for keeping the tradition of sportsmanship and fair play alive and well in the Club.

David Astill
Team Manager

WINTER SWIMMING

It has been ten years since Peter (Yogi Bear) LeBreton and the late gentleman Phil Anger put a sign up in the patrol room at Stanwell Park Surf Club seeking interested members to form a winter swim club. 44 names were recorded including one Grant Kenny and one L. Curry. A meeting was organised for 10.00am Sunday 9 April, 1989, from that time on it is now all history.

Foundation members still active within the winter swimming group are Keith Newell, Robert Pugh, Rick Dzopalic, Steven and Peter McDonald, John Murphy, Bobo White, Peter and Don Burke, Graham McCrae, Mark Wallace and Harley Dreghorn.

Since then we have transformed the Surf Club from being a closed shop during the winter season, to an open house for the 20 weeks of winter swimming. The till has been turning over in favour of the Surf Club and numerous charitable donations have been made to many organisations and worthy individuals. There are no balances or statistics, the donations were made with the full support and blessings of the members and from a personal point of view, I have never been associated with a more generous and good-hearted group of people.

Possibly our biggest donation, not only in monetary terms, has been the conducting of the regular visits by the handicapped children and young adults from the Baringa Centre at Fairy Meadow over six years. Unfortunately the visit by the children from Baringa did not take place this season – despite numerous phone calls, letters and efforts of many people, the reorganisation of the Baringa Centre made it impossible to have a day with the children.

Once again under the very experienced leadership of President Rod Hampson and Captain Paul Robberds both in their third year of office, the club had a very successful year averaging 40 swimmers on Sundays, 17 of whom attained their 100% attendance. Rod and Paul kept enthusiasm and interest at a high throughout the season.

Paul also wore the cap of fines master and whether it is his size that is intimidating or his good looks or his young assistants, the fines bucket is always a major contributor to our fund raising, with nobody missing out.

Handicappers Steve McDonald and Peter O'Halloran managed to run a successful point score, also having their time cut out organising a trial handicap system for relays, well done fellows. Chief timekeeper Graham McCrae and his band of assistants kept the point scores flowing, whilst Peter Turner kept our finances in the black with another busy season.

Special thanks to Marg and Peter Hunt who conducted another highly successful social and fund raising season for the Sea Eels. The weekly Lotto was regularly sold out, and raffles were very well supported.

The Seafood Night, although down in numbers was a huge success. With fewer people the service and food quality was more manageable and could be a benchmark for future events. Music was by courtesy of the CD player purchased by the Surf Club's U/18 group.

Thank you to all the other members, especially our young adult members who assisted on our social occasions.

Once again we thank our delegates Rob Pugh and Mike Walsh for their attendance at the SCWSA meetings and keeping us up to date and informed of SCWSA activities.

Donations were made to the Sarah Middleton appeal, Alicia McCormack to compete at the Combined High Schools Water Polo series in New Zealand and to the HWC Golf Club Charity Day.

Thanks to our sponsors Ian Jones Butchers Thirroul, Rick Fleming Cakes Thirroul, Ron Kissells Family Meats Heathcote, and Sams Fruit Shop Thirroul. Special thanks to Ernie Valbusa for his assistance all year.

WINTER SWIMMING

Donations were received from Ron Kissell Family Meats, Helensburgh Workmens Club and Stan McCabe.

Social events this season were very memorable, that is by some, the visit to Bulli Sea Lions, a mixed club similar to ours was truly immeasurable with good food, good venue and hospitality unlimited. A visit to the Sydney Casino well organised by Captain Paul Robberds and two visits to Coalcliff Surf Club where we are always well catered for and made very welcome.

The Sea Eels were well represented at the Phil Anger Golf Trophy against the Helensburgh Workmens Club team with HWC once again running out victors, maybe we should take them on in the pool where we know we have an advantage.

Twenty three members competed at the South Coast Championships hosted by the Wollongong Whales, which resulted in our club finishing 3rd overall and 2nd in the handicap point score, Gold in the 'C Hilton' grade relay, Silver in the O/40s and B Relay, and a Bronze in the A and President/Captain relay. And you guessed it, we were last to leave the dinner venue maintaining a ten year record.

The Australian Championships held at Maroubra attracted 15 of our members. Admittedly we were outgunned in the water but we showed our colours, socialised to the fullest which is what winter swimming is all about. The two hour bus trip home is still a bit of a daze, I don't think Murray will get the drivers job next year.

Peter McDonald
Secretary, Sea Eels
