

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB Inc

93RD Annual Report & Financial Statements 1999/2000

1999/2000 ROOKIES

HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB Inc

93rd ANNUAL REPORT - 1999/2000

Members,

I submit herewith on behalf of the Management Committee, the 93rd Annual Report for your consideration and adoption.

The report includes financial statements for the year ended 31 May 2000.

Harley Dreghorn
Secretary

20 July 2000

CLUB OBJECTIVES

Extracted from Club Rule 2 -

- *The study and practice of the methods of surf life saving as taught by Surf Life Saving, Australia*
- *To minimise the loss of life from drowning by providing efficient life saving apparatus*
- *To promote demonstrations and arrange classes of instruction and to further the best interests of surf bathing and surf life saving*
- *To appoint patrols to render all possible aid to those in distress*
- *To organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives*
- *To exercise the power to acquire, lease or hire or in any way deal with any real or personal estate*
- *To act as governing body of the Junior Activities Committee and to provide assistance to that section in the field of competition and training*
- *To carry on any other activity whatsoever calculated directly or indirectly to enhance further the interests of the Club.*

OUR DONORS

Helensburgh Workmens Club Ltd

Thanks yet again to the Helensburgh Workmens Club Ltd for on-going financial support. This year HWC came to our assistance with a cash donation of \$4,850.00 towards the acquisition of a new IRB and motor.

HWC also continued to support our Club through both our Junior Activities and Winter Swimming groups. Donations and fund raising opportunities were provided to two of our members, Simon Harris and Alicia McCormack.

As well as accepting the honour of being the Surf Club Patron for another year, HWC President Bob Proudfoot continues to show a keen interest in our Club's activities and attends most Club functions. With Bob taking over as Secretary-Manager, welcome to Stuart Green, the new HWC President as our Patron. Welcome also to Vice President, Marge Palmer.

Thanks to HWC for again allowing the Surf Club the opportunity of running the Two-Up game on Anzac Day, and thanks to the patrons who donated some \$526.00 during the game.

Our appreciation of the assistance given by HWC is extended to the Board, management and members for on-going commitment towards the Surf Club's community service and youth development activities.

BP Australia

Through Surf Life Saving Australia, BP Australia provided IRBs to 25 Surf Clubs throughout Australia on a dollar for dollar basis. Our Club was successful in obtaining one of these and thanks go to BP for its involvement in surf life saving, and particularly for its assistance with a new IRB and motor for use at Stanwell Park beach.

HWC provided the Surf Club's share of the dollar for dollar cost.

Appeal Day/Collection Day.

Another record collection with \$4,919.00 raised in a few hours on a Saturday morning in October from the generous residents and shop keepers in Helensburgh, Otford, Stanwell Tops and Stanwell Park.

Thank you to all donors. These funds have been used purely towards our Club's life saving activities

Stanwell Park Sea Eels

The Winter Swimming group provided a further \$250 for the purchase of rescue equipment, in addition to providing a similar amount to Coalcliff Club. Sea Eels also donated funds and hosted a day out for the young adults from CRAM House during July 1999 and are proposing a similar day late July 2000.

Registered Clubs Association Car Raffle

The Registered Clubs Association of Illawarra/South Coast (RCA) sponsored a major Surf Club promotion and car raffle again this season. 1,900 tickets were sold by our members at \$1.00 each, and together with a further \$2,159.70 share of the RCA "pool fund" a total net return of \$4,059.70 was realised from this venture.

Thank you to RCA for donating the major prize and RCA and Surf Life Saving Illawarra for organising the raffle. Thanks also to the many Club members and other supporters who purchased tickets.

Ron Kissell, Kissells Butchery, Heathcote

Ron continues to be a strong supporter of our Club, providing patrol uniforms for our members, team uniforms for our Junior Activity members competing at the State Championships, financial support to the Sea Eels with their community service activities, and donating raffle prizes whenever we need one.

Thanks Ron for your support which extends over many years.

Buckleys Concreting, Helensburgh

Thank you for on-going support and donation this year of competition equipment for Junior Activity members.

Gnome Junction Mrs Marge Palmer

Thank you for again donating the proceeds from the Christmas display at your residence. \$233.00 donated by local residents has been used towards life saving activities.

O'Donnell Griffin Pty Ltd, Wollongong

Thank you for continued support again providing uniform patrol shirts and shorts for two of our patrols. This is the fifth such donation from this company.

OUR DONORS

Andrew Perrin Builder, Helensburgh

Thank you for continued support providing uniform patrol shirts and shorts for our patrol members. Donations from this company and Club member have extended over four years.

Paul & Michelle Gilding, Helensburgh.

It is exceptionally gratifying to record this kind donation that came unsolicited "in appreciation for the training and skills achieved by volunteer life savers" from as the letter states "...newcomers to the area". This donation is very much appreciated, and will be used towards surf rescue training.

Others

Thank you to the following people who have donated raffle prizes, donated funds for trophies, or made donations just to help out – your donations are very much appreciated.

Raffle prizes

- CFA Services, Helensburgh
- Clancys Supermarket, Helensburgh
- Coastline Real Estate, Helensburgh
- Helensburgh Butchery
- Helensburgh Cellars
- Islander Aclassic, Engadine
- Nationwide Real Estate, Helensburgh
- Poppys Florist, Helensburgh
- Pot Shop, Heathcote
- Roys Fruit Shop, Helensburgh
- Sids Hardware, Helensburgh
- Skate Plus, Caringbah

United Mineworkers Federation Helensburgh donated funds to purchase life saving equipment for Junior Activity members

Donations for competition trophies --

- Norm Bartlem, Bald Hill
- Roy Gavel, Stanwell Park
- Harry Harris, Helensburgh
- Peter and Sandra McDonald
- Ian McManus, MP, Otford
- Janine Allen, Helensburgh
- Jason Powell, Helensburgh
- Harley Dreghorn, Stanwell Park

Donations from Club members --

- David Anger
- Con Asmussen
- Peter Beehag
- Mick & Irene Dezius
- Bill Dodd
- Harley Dreghorn
- Alby Frankland
- Evan and Marion Griffiths
- Jack McMillan
- Ian McManus
- Dick Pavet
- Bryant and Phyllis Phillips
- Eddie Piggott
- Tom Sneyd
- Peter Turner
- Jack Wight

There are many people, some are Club members and some are people and organisations in the community, who help the Surf Club in many ways.

Some have made cash donations, some donate equipment, some buy raffle tickets, and some help us by throwing a dollar or two in the bucket on Collection Day.

Some are groups like Helensburgh Lions Club who provided assistance at our Surf Carnival

Without your support we would not be able to fulfil our community service obligations each year.

Thank you

FROM THE PRESIDENT

The past year has been a year in which our Club has been in the spotlight and we have performed admirably as a Club and also as individuals.

With two carnivals on our home beach (our usual Junior/Senior carnival and this year the Senior Branch Championships) we had our work cut out, but as usual the helpers came from near and far to make both these days a huge success. This resulted in a glowing letter of thanks from Branch President Ken Sweeney thanking the Club for yet another well run series of carnivals.

On behalf of the Club Executive, our thanks goes out to every member who played a part, large or small in running or organising our carnivals. Thank you for giving your time for others enjoyment.

At competition level, our congratulations must go to Simon Harris who this year fulfilled his dreams of becoming a State, Australian and World Champion in the one year. Along with a band of supporters, I was lucky enough to be at the three major carnivals, and they were all very emotional moments for everyone, none more so than the Australian Championships at Kurrawa where Simon had gone so close the year before.

When you add the three major championship carnivals to the fact that Simon went through the entire season undefeated, you can see why it was such an outstanding one for him.

At Club level, we were treated to a new IRB courtesy of BP Australia and Helensburgh Workmens Club Ltd. BP became involved through Surf Life Saving Australia, donating IRBs to Surf Clubs on the basis of a \$ for \$ contribution by BP and the Club.

In our case the Helensburgh Workmens Club kindly donated our \$ for \$ share of 4,850.00.

Our thanks goes to our Patron Bob Proudfoot and the Helensburgh Workmens Club for its on-going support, support that has stretched over 93 years.

At management level, the Club probably has not been at its best, with many committees either not meeting at all or their recommendations not being acted upon. Unfortunately the efforts needed to help a club run at its best cannot be left to the same few, the load must be shared and until we get volunteers to step forward in all areas, the Club will continue in its present state.

A special thank you to Helensburgh Lions Club for organising and running the BBQ stall at the Branch Championships. This additional man/lady power was most welcome and allowed our members to concentrate on running the carnival. The assistance, and the profits from steak and sausage sandwich sales, were very much appreciated.

In closing I would like to make some personal thank yous. Thank you to the people who attended every Management Committee meeting they could; thank you for your input and willingness to help at all times during the year.

Thank you to every member who did patrols to keep our beautiful beach safe, you are what surf life saving is all about.

Thank you to Jeff Lucke for the marvellous effort you put into organising and running the Rookie program for our young up and coming patrol members. Thanks also to all those who assisted Jeff.

Thanks to Ron McCormack and the Junior Committee for their support and assistance during the year.

Thank you to the Executive for their efforts during the year. Thank you especially to Peter Turner for continuing to act as Treasurer when no one was willing to replace him.

And lastly thank you to my wife for putting up with me during the season and thank you for your continued support.

David Anger
President.

Vale

*To families who have lost loved ones during the year,
the Club and members extend their sincere condolences*

JUNIOR ACTIVITIES

With the completion of the 1999/2000 season, it is with great pleasure that I congratulate all the members of the Seagulls on an excellent effort at carnivals and also our local point score.

Our Club has once again shown the way this year with some outstanding results, for example many finalists at the State Championships. There were many notable performances but who could forget Damien Cook winning the U/9 Boys Flags. Well done to you all.

The Branch championships were also very well contested with many children gaining personal bests and we brought home a swag of medals.

We had four children selected into the Illawarra Branch Team – Ashley Russell, Rhett Russell and Michael Jordan (water) and Luke Barnett (beach). Your club is proud of your selection and performances.

To all who helped out at our carnivals this year a BIG THANK YOU. These days are made so successful because of the excellent effort put in by everyone.

It would be remiss of me if I did not thank our sponsors, because without your kind donations and support, we would not be able to run the club so well. Thank you one and all.

Best wishes to our U/14 Seagulls who now go on to the Senior section of our Club, we hope you enjoy your patrols as much as you enjoyed your time in the juniors.

I would also like to take this opportunity to thank David Anger and his committee for the support throughout the year, it is very reassuring when we get assistance and encouragement from our senior members.

Finally I would like to thank the Junior Committee for all their help this season. Also our water safety people for your dedication to our Seagulls each week. To our outgoing Canteen Co-ordinator, Louise Ryder, you have excelled over the past two years.

Thank you also to our Point Score Recorder, Sandra Shorten and long-standing Water Point Score Recorder Kerry White, we wish you well and very much appreciate the time you have given us over the years.

Ron McCormack
Seagulls Chairperson

U/10 Years	David Astill Mark Stares	U/14 Years	Maree Russell Julie Humphries

CLUB CAPTAIN'S REPORT

Another season has come to an end and I would like to thank all patrol members for the excellent job you did patrolling our beach.

As a result of your fine efforts, we gained 2nd place in the Illawarra Branch BHP Patrol competition, losing just 64 points and only a few behind the winning club.

The only down side was the number of people who missed patrols and did not arrange a fill in. Please, if you cannot make your patrol, remember to get a fill in so you do not let the rest of your patrol down.

I would like to thank all the people who did water safety each Sunday for the nippers. Without these people spending hours in the water on Sundays, the children would not be able to take part in water events.

This season 53 members gained 100% patrol attendance. To me the most important award in the Club, to these members a big thank you.

Congratulations to Paul Potter our Patrol Member of the Year. I would like to thank all members of my patrol, Dave Astill, Andrew Astill, Daniel Thompson, Paul Astill, Nathan Thompson, Michael Astill and Gary Heiler for your effort in winning the Patrol of the year.

Congratulations to all our competitors this season for your fine efforts at carnivals, you all did your Club proud. I would like to take this opportunity to congratulate Simon Harris for winning the Branch, State, Australian and World Beach Flags all in one season, a fantastic effort.

Congratulations to all members who gained places in our Point Scores and Club Championships and thanks to Rick Dzopalic for a great job in running these competitions.

Well done to Steven McDonald and his team of instructors for the great job done this season, training members in various awards. Also a big thanks to Graham Cook and Paul Potter for training members in IRB and providing some new IRB Drivers, something we desperately need.

Thanks to Jeff Lucke for taking on the job of Rookie Co-ordinator, a very important job as these young members are our future.

In closing I would like to thank Grant Dezius for his help in running the Club and a great job he did in his first year as Vice Club Captain, and to Lorna Dreghorn for looking after all the patrol paper work, and to the Committee for their on-going support.

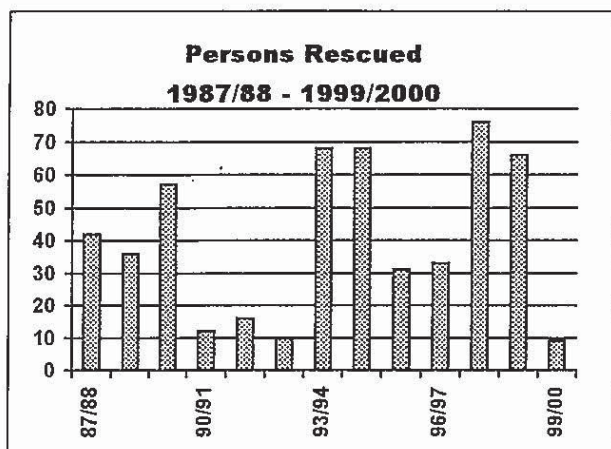

Mark Thompson
Club Captain.

From the Branch Championships 20.2.2000
Medal Presentation Ladies

PATROLS & LIFE SAVING

Rescues and First Aid Activities

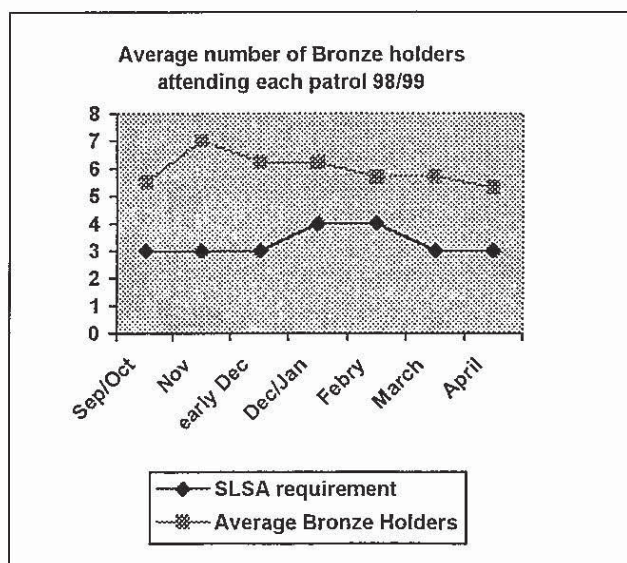

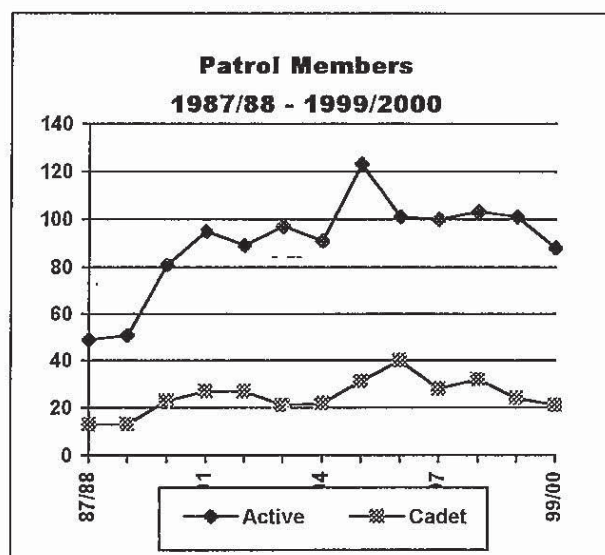

- **Rescues - 9 persons -**
 - 4 without any gear
 - 1 with rescue tube
 - 3 with rescue board
 - 1 with IRB
- **Preventative Actions - 270 persons warned or directed to safety**
- **Emergency Care/First Aid treatment -**
 - 40 stings (bluebottles, etc)
 - 10 cases minor first aid

Patrol Membership

At the end of the season -

- 88 Bronze Medallion holders undertaking patrols, 72 male and 16 female.
- 103 proficient Bronze Medallion holders.
- 21 U/16 Cadet members undertaking patrols, 14 male and 7 female.
- 22 Cadet members proficient
- 13 Patrols each with an average of 6 Bronze Medallion holders and a minimum of one IRB Driver and one ARC holder
- 53 members (48.6%) recorded 100% patrol attendance

Minimum patrol strengths as set by Surf Life Saving Illawarra were achieved on all patrols, and exceeded on all but three patrols.

- 29 September to end-October, and April – Sundays and public holidays beach patrolled 10am to 5pm, minimum 3 Bronze holders
- November to mid-December, and February and March – Sundays and public holidays beach patrolled 9am to 5pm, minimum 3 Bronze holders
- Mid-December to end-January Sundays and public holidays beach patrolled 9am to 6pm minimum 4 Bronze Holders; Saturdays beach patrolled 9am to 1pm, minimum 3 Bronze holders.
- Minimum one proficient IRB Driver on each patrol.

INSTRUCTION & TRAINING

Training and Awards

At long last, two new IRB Drivers, our first for three seasons. Along with the IRB Drivers awards, 11 members were trained as IRB Crewpersons.

A fall off in the number of Bronze Medallions gained, but the Club cannot have bumper seasons all the time.

As shown in the graph, there has been a slight fall in the number of awards since last season and an average of 45 awards per season over the last five years. The drop in awards can be attributed slightly to fewer active members and less members turning 15 during the season.

Bronze Medallion and Surf Rescue Certificate

The Bronze Medallion syllabus and Surf Rescue Certificate syllabus were unchanged from the previous season.

The Club continues to show its success in membership retention with 11 of the 14 Bronze Medallion awards gained by members who have come up through the junior ranks, two new members and one Associate member who thought it was time that he got involved more with the Club.

Surf Rescue Certificate numbers were strong once again and combined with the new Rookie program, the Club gained 12 awards.

The group of instructors once again showed their dedication by putting aside many afternoons and Sunday mornings for training of members. The instructors were Steve Connor, Bill Haran, Peter McDonald, Steven McDonald, Peter O'Halloran, Geoff Ryder, Andrew Taylor, Peter Turner and Bobo White. Their work is very much appreciated and helps lighten my load.

Congratulations to all members who gained their Bronze Medallion and Surf Rescue Certificate, and thank you to all the instructors.

Advanced Resuscitation Certificate

The syllabus remained unchanged after the last season update, concentrating on Basic Resuscitation, CPR and Advanced Resuscitation. The Club's ARC Workbook was updated this season to match the current training manual.

Eight members gained the award during the off-season. The number of awards is down on last seasons, unfortunately interest in the course seems to have dropped off.

The course has been refined and can be completed in five weeks, and after gaining the Bronze Medallion, the ARC is the next award that should be considered by all members over 15 years.

ARC instructors this season were Peter McDonald, Steven McDonald, Peter O'Halloran and Andrew Taylor.

IRB Drivers Certificate

Congratulations to Grant Dezius and Mark Stares on gaining the IRB Drivers Certificate. These new drivers have come partly as a result of an off-season initiative to start IRB Driver and Crewperson training over the June long weekend.

11 IRB Crewperson Certificates were gained over the 1999 June long weekend.

IRB Instructors put in a great deal of time this season. My thanks go to Graham Cook, Paul Potter and Mark Ryan for their time and enthusiasm.

The good news is that there are a number of members still in training for the Drivers and Crewpersons Certificates. If you are keen to get involved in IRBs please consider undertaking some training next season.

INSTRUCTION & TRAINING

Proficiency Tests

Bronze Medallion/Surf Rescue Certificate

Another slight fall off in numbers on last season proficiencies. The season ended with 125 proficient members, 103 Bronze Medallion and 22 Surf Rescue Certificate. There were 25 female members and 100 male members proficient.

This season's proficiency test consisted of the traditional run-swim-run, one person assessment, tube/board/IRB rescues, and signal and surf awareness questions.

Thanks to Peter Beehag, Evan Griffiths, Jeff Lucke, Peter Turner, Bobo White and all instructors who assisted in running two trouble free Proficiency Tests.

Advanced Resuscitation Certificate

An outstanding season for ARC proficiencies, 44 members in total. This represents 43% of all proficient Bronze Medallion holders.

Evan Griffiths made a significant contribution to these numbers by making himself available for testing most Sunday mornings early in the season. ARC refresher training is still running well with many members presenting themselves for training prior to the proficiency test.

IRB Drivers Certificate

All IRB Drivers renewed their proficiency this season, a total of 21 drivers making themselves available for patrol

A couple of days with the beach closed held up the testing during the season, resulting in most tests being run on an ad-hoc basis to ensure all drivers were tested. Next season, organised proficiency days will be run.

Two proficiency days were organised for early October and December. Thanks to Warren Herrmann and Anthony Turner from Surf Life Saving Illawarra for coming up and running the tests.

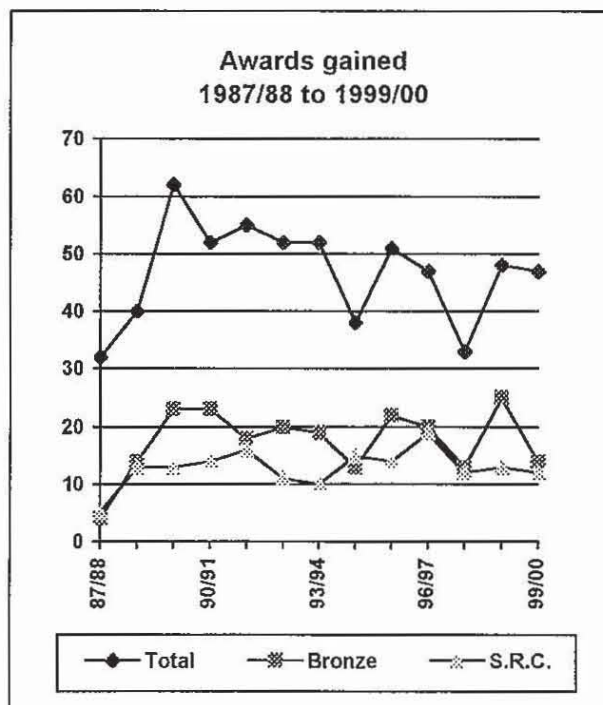

Club instructors put in a lot of time this season and this paid off with no fails in an award or proficiency test. It was good to have a couple of new instructors lend a hand, also some old hands taking on a squad.

Surf Life Saving, Illawarra

Evan Griffiths, District Supervisor kept an eye on training through the season and was always available to lend a hand or pass on advice to instructors and candidates.

The Club has had another good season and appreciates the efforts put in by members gaining awards and the instructors, examiners and supporters that work towards the members obtaining their awards

Steven McDonald
Chief Instructor.

SECRETARYS REPORT

Committee Meetings

Management Committee meetings were scheduled and held monthly commencing August through to May. Meetings were not held in July or June.

This year meetings were held at Helensburgh Workmens Club rather than in the Surf Club and attracted a higher average attendance of committee members than the previous year.

The Executive Committee met formally on four occasions. Matters discussed at these meetings were reported at subsequent meetings of the Management Committee.

The Junior Activities Committee met monthly also at Helensburgh Workmens Club, with Junior Activities delegates reporting regularly to the Management Committee.

Statutory requirements

The Annual Statement as required under the Associations Incorporation Act, 1984 was submitted to the Department of Fair Trading for the 1998/99 year.

The Public Officer was changed in May 2000 to the Secretary, Harley Dreghorn to facilitate lodgement of applications for an Australian Business Number and other paperwork necessary prior to introduction of the GST.

The ABN had not been granted at the time of printing of this report, although the Australian Taxation Office had issued a temporary permit to enable the Club to operate as if it held an ABN:

Affiliation with Surf Life Saving Aust

As approved at the last Annual General Meeting, the Club applied for continuing affiliation with Surf Life Saving Australia.

Asset Register

The documentation and valuation of all Club equipment has progressed, but valuation of most assets still requires to be finalised.

Liquor Licence

The Club continues to maintain a Function Licence for the sale of alcohol for consumption within the Club premises, with the licence held by the Club Secretary, Harley Dreghorn.

The Club has taken advantage of the relaxed licensing regulations for Surf Life Saving Clubs, allowing the sale of alcohol after Club activities at weekends.

Membership Registration

Membership forms were again pre-printed based on information provided by members in the previous season. A computerised database containing extensive details on all current members continues to be maintained and is able to provide statistical and historical information about the Club and its members. The database continues to be managed by Registrar Steven McDonald.

Outstanding payments due from members

This year the Club declined to book and pay in advance for accommodation for members attending the Australian Championships as a result of past difficulties in obtaining payment from some members.

At the end of the financial year, there were no outstanding payments due from members other than for membership fees.

Three separate reminders have been sent to individual members recorded as being unfinancial. At the end of the financial year, membership fees were outstanding from 13 patrolling members.

Notices to Members

The Park Bench was issued monthly between August and June, with the Publicity Officer Christine McDonald arranging preparation and issue. The Park Bench was used as a medium to convey official notices to Club members, or such notices were included as inserts.

Youth Development

Following the 1999 Youth Forum organised by Surf Life Saving Illawarra, regular meetings involving young adult members are organised. Andrew Astill continues to represent our Club at Branch level, with this group being active in several initiatives that will undoubtedly attract younger people to stay with Surf Life Saving,

Youth development was also enhanced with the assistance of the Rookie Scheme, with financial and other support provided by Westfields Warrawong. Our Club has benefited greatly from this program with 19 members fully involved.

Thanks to Jeff Lucke for taking the Rookies under his guidance during the year; the sponsorship arrangement from Westfields provided each Rookie with a patrol uniform and general assistance with training to gain the Surf Rescue Certificate.

SECRETARYS REPORT

Club House

Cleaning and maintenance of the Club house continues to be a major issue although thanks to a few volunteer members, cleaning is being carried out on an ad hoc basis and the main hall and amenities are maintained to a reasonable standard.

The current ad hoc cleaning arrangement however does not lend itself to private hiring. Given the difficulties of finding members willing to devote time to cleaning and presentation, the Executive Committee decided to cease private hiring from March 2000 until a workable arrangement is introduced. New positions have been created to address this shortfall from the start of the next year.

Representations have been made to Wollongong Council to tar seal the car park area, and to carry out some maintenance works including attention to the windows in the southern wall of the main hall. These will require replacement and have been listed as a major maintenance item by Council. Tar sealing of the car park seems to have a long term (if ever) priority

Council has also replaced the front doors to the main hall to comply with emergency egress regulations.

No action has been progressed to transfer gear from the storage container into the main part of the boat shed.

Half of the profit raised from refreshment sales has been allocated to the special Building Account fund. At the end of the year, with transfer of a further \$3,200.00 representing half of this years bar profit, the fund stood at \$13,200.00.

Credits

As a result of the competitive skills of Simon Harris in reaching the finals of the Australian Championships, and subsequently winning the Flags event, several references were made about Simon's home club "in the National Park north of Wollongong" by the announcer over national television.

Subsequent follow up stories appeared in the Illawarra Mercury about Simon, his involvement in surf life saving and his involvement in our Club.

A special group of marchers representing the oldest surf life saving clubs was formed to march at the 2000 Australian Championships.

The Executive Committee initially offered this opportunity to Con Asmussen, but he declined in favour of one of our younger members. Simon Harris was elected to march on this occasion, with the announcer providing information about the Club's early history.

The Club probably made world history by having three Club members holding senior referee positions at the World Championships at Manly, having followed on from similar senior postings at past Branch, State and Australian Championships over the last three years. Congratulations to Don Harris, Jeff Lucke and Bob White for their long involvement as senior referees.

Surf Life Saving Illawarra complemented the Club on hosting of the 2000 Illawarra Branch Championships.

At the Branch Presentation Night, our Club was honoured with the selection of David Astill as 2000 Illawarra Branch Junior Volunteer of the Year. Jeff Lucke was also acknowledged as a finalist in the Branch Volunteer of the Year, nominated for his efforts as Rookie Co-ordinator within the Club.

Laura Humphries attended the evening as one of our Rookie members, representing the Club in a draw from the hat for a rescue board.

Steven McDonald reached the finals at State level in Volunteer of the Year award, and Administrator of the Year.

Representation at Branch, State and Australian level of Surf Life Saving

At Branch level, Bobo White held the position of Competition Director, Jeff Lucke, Board of Junior Activities Superintendent, and Evan Griffiths, District Supervisor.

Don Harris was a Branch Vice President, and convenor of the Life Saver of the Year Committee and Volunteer of the Year Committee.

A number of Club members continue to be active within the Board of Life Saving Control, and/or are involved as judges at carnivals within the Illawarra Branch.

Don Harris was a member of the NSW Surf Boat Premiership Panel, and together with Bobo White and Jeff Lucke, held senior judging positions at State, Australian and World championships.

SECRETARY'S REPORT

Life Membership Nomination

At the instigation of Evan Griffiths, himself a Life Member of Surf Life Saving Illawarra, the Club submitted a nomination in favour of Ken Sweeney for elevation to Life Membership of the Branch.

The nomination traced Ken's history in Junior Activities back over 20 years when he coached a number of our Club's nipper members at North Wollongong beach in board and swim events.

The nomination was subsequently approved by the Branch, and presented on Branch Presentation Night. Congratulations Ken.

Club activities/functions

In addition to hosting the Branch Championships on 20 February 2000, the club hosted a junior/senior carnival on 13 November, 1999.

Regular Club activities included collection day, participation in the Helensburgh Parade (Junior Activity members), Junior Presentation, Senior Presentation and Patrol Dinner. Most of these functions were held at Helensburgh Workmens Club.

The Winter Swimming group continues to provide an off-season activity for Club members and whether or not you are brave enough to swim on a cold winters morning, the group provides an excellent forum for training and social activities from May to September.

This group also provides an off-season income with its social activities held in the Club house, and has a prime target of taking the Club "into the community". By running special fund raising ventures that do not detract from traditional Club fund raising sources, the winter swim group for some years has provided assistance to the handicapped people from Baringa. With the closure of Baringa two years ago, the winter swim group is now providing assistance to the young adults from CRAM House. Not only do the people from these homes benefit, but so do our own Club members achieving a high sense of satisfaction and understanding in being able to care for someone less fortunate.

"Keith Mills"

Two years ago the Management Committee decided to christen a surf boat after Keith Mills, a past President and Treasurer of the Club, and a member who put a lot of effort into the early establishment of the Seagulls. The boat required major repairs and is not currently in use.

With the receipt of a new IRB this season, it was decided to christen this craft "Keith Mills", and a formal ceremony took place at the Branch Championships in the presence of Keith's son and Peter Mills.

Finally

Just on 21 years ago, after two years as Assistant Secretary working with Ian Kohlhardt, I took on the position of Hon. Secretary.

I felt safe doing a second term, and even a third term as it seemed unlikely that anyone would ever be interested, or would ever want to, fill the shoes of Con Asmussen with his 24 year record as Secretary/Treasurer.

However there always seemed to be something new happening, like the 75th anniversary, completion of the new Club house, the official opening, new members and new friends, integration with the Juniors, changes to Club Rules as part of becoming an incorporated body, setting up the bar as a profit making enterprise and gaining a Liquor Licence, and so on that kept me interested, and the two or three years has extended on and on.

To suggest in any way the Secretary's job has been a chore, or that I have not enjoyed being a part of the Club, would be grossly incorrect.

In fact, to be able to work with different Presidents, Captains, committees and members towards one common goal – life saving and youth development in our community, has been very gratifying.

I am sure the new Secretary will enjoy the same support and enjoy the same camaraderie that I have over the years.

Harley Dregghorn
Secretary

INTER-CLUB COMPETITION

The 1999/2000 season was very successful. Even though there were only two local carnivals, we managed to have three competitors chosen for the Inter-Branch Championships, two beach competitors Andrew Astill and Simon Harris, and Paul Bedwell in the water. These competitors performed admirably and were a credit to both the Illawarra Branch team and our Club.

Our Club was well represented at the Branch Championships with many competitors gaining places in all facets of competition, culminating in another well earned 2nd in the March Past. If we ever got around to some training, you never know what could happen.

Because of the lack of carnivals in our local area, our more dedicated competitors regularly attended carnivals from Mollmook to Freshwater, gaining many placings including numerous firsts. Well done to those people who were committed enough to make the trek to continue their ongoing training.

The three highlights of the season were without doubt the fine efforts of Simon Harris, gaining 1st place in the State Championships, Australian Championships and to top it off, 1st place at the World Championships at Manly.

Another surprise packet was the Veteran boat crew, who made the final of the boat race at the World Championships.

It just goes to prove that with a lot of commitment, skill and dedication, we can achieve anything we want to.

Finally I would like to thank all those people who assisted me throughout the year and congratulations to all competitors for keeping the tradition of sportsmanship and fair play alive and well in Helensburgh-Stanwell Park Surf Life Saving Club.

WINTER SWIMMING

Once again under the very experienced leadership of President Rod Hampson and Captain Paul Robberds, both in their 4th year of office, the club had a very successful year, averaging 40 swimmers on Sundays, 14 of whom attained their 100% attendance. Rod and Paul kept enthusiasm and interest at a high throughout the season. Only one blemish for the season was the failure to organise soup on one occasion. Sacrilege. The member concerned has been dealt with.

Handicappers Steve McDonald and Peter O'Halloran managed to run a successful point score, having their time cut out organising swims for 82 members, our largest membership so far. Changes to the U/14's points score and disqualification times in the relay altered, gave a better spread of points overall. Chief Timekeeper Graham McCrae and his band of assistants who kept the point scores flowing, Peter Turner also kept our finances in the black with another busy season. Well done fellows.

Special thanks to Marg and Peter Hunt who conducted another highly successful social and fund raising season for the Sea Eels. The 19 weekly Lotto's were regularly sold out and raffles were very well supported.

Once again we thank Rob Pugh and Mike Walsh for their attendance at the SCWSA meetings and keeping us up to date and informed of the SCWSA.

Thanks to our sponsors Rick Fleming Cakes of Thirroul, Ron Kissells Family Meats of Heathcote, Helensburgh Workmens Club Ltd, and Scarborough Hotel. Special thanks to Ernie Valbusa for assistance all year.

Our new charity taken under wing this year, was the young adults of CRAM House, Wollongong. A visit by the group put a smile back on our members faces following the absence of our regular visitors, the Baringa children. For the young adults it was a day out, for the staff a change of scenery, and for our members a memorable day. Their departing words were "when can we come and visit again" Donations to assist the visit were made by John Murphy, Bill Heiler, Wayne Johnston and Peter McDonald. In December, Wendy Lane took some of our younger members to CRAM House to help the group in their Christmas celebrations.

Special thanks to Wayne and Keegan Johnston who built a special board with lights and switches to provide diversional therapy (a diversion from the real light switches) for the young adults from CRAM House.

Keith and Sandra Newell organised a very successful Trivia Night fund raiser at the Palms Restaurant. Donations were received from Miranda Chemist, Lowes Menswear, Miranda, Scarborough Hotel, Porters Coledale, Peter and Sandra McDonald, Sandra Newell, Beaufils, Paul and Kim Robberds and Binnars Helensburgh.

A major raffle was also organised to raise funds for this worthy group. Donations were made by Hitachi (through Peter Lehane of Coral Air, Piccadilly Travel (Barry and Barbara Allen), and Paul and Kim Robberds.

Donations were made to the Guide Dog Association through the Bellambi Blue Bottles, and Coalcliff SLSC and our Surf Club for the purchase of rescue equipment.

Donations were received from Ron Kissell Family Meats, Heathcote and Helensburgh Workmens Club.

The Sea Eels hosted a visit by the Bulli Sea Lions to contest the Jimmy Johns Trophy. Not only did we outclass them in the water but at the dinner table, where our chefs produced a superb seafood platter. Our friends left us with a smile and a bar tab still under negotiation with Harley.

The Sea Food Night was a huge success despite atrocious weather conditions, 88 members and friends attended. Guests were treated to gourmet food, good wine, service and Karaoke entertainment and dancing to the early hours. Thank you to all the members who make this evening so special, especially our young adult members who assist at all our social occasions. Special thanks to Bill Heiler for his culinary skills on both occasions.

Two visits were enjoyed at Coalcliff Surf Club, the first one following our "Bring a Friend Day" of which 82 members could only produce 13 friends, is someone trying to tell us something. The club appreciates our ongoing association with Coalcliff SLSC and their involvement

WINTER SWIMMING

The Sea Eels had seven players represent us in the Phil Anger Golf Trophy against the Helensburgh Workmens Club team. With only a small contingent we ran out victors. Next year the Sea Eels will host the golf day.

Thanks to Keith and Sandra Newell who spent a lot of time and money to renovate their house to a standard to host the clubs annual Christmas drink. It was the biggest turn up so far, but what are they going to do next year?

Twenty nine members competed at the South Coast Championships hosted by the Bulli Sea Lions, which resulted in our club finishing 4th overall, winning gold in the "C" grade relay and Bronze in the Over 40s relay. Best individual performance was Graham (Quirindi Crawchey) McCrae in the Over 40s final. Not our best result, but you guessed it, we were last to leave the dinner venue, maintaining an 11 year record.

Without a doubt, the highlight of the year was the trip to Cottesloe to contest the Australian Championships. Many months of organisation and slipping the odd dollar aside paid in what was a fund filled trip. Thirty four members and partners flew to Perth to show the West what socialising is all about, and we did not let them down. Most stories will stay in WA, those that make it back will only be exaggerated and unbelievable anyway. Many thanks to Barry and Barbara Allen of Piccadilly Travel and to our many travel coordinators and to Krista Drysdale for our team shirts.

Best individual result, Steven McDonald 9th in the Over 25 x 50m sprint. Our Club was relay finalised in the Over 40s, Over 30s, and Open Relay and 15th in the overall Point Score. Swimmer of the meet was Jimmy Dalmar, who held the Over 55s Australian Record for ten minutes with a recorded time of 30 seconds.
