Annual General Meeting 11am Sunday 29th July 2001

agenda

1. Welcome to Guests, Visitors and Members
2. Apologies
3. One minutes silence will be observed to remember past members
4. To confirm and adopt the Minutes of the Annual General Meeting, held on Sunday 30th July 2000
5. Business arising from the Minutes
6. Club Captain Report
7. Presentation and adoption of the 94th Annual Report, 2000-2001
8. Presentation and adoption of Financial Statements, 2000-2001
9. Adoption of Statement of Financial Affairs
10. Accreditation with Surf Life Saving Australia, 2001-2002
11. Junior Activities Report
12. Motion of which due notice has been given:
Amendment to Club Rule 3e. Membership
13. To elect the Patron and Office Bearers, for the season 2001-2002
14. General Business (urgent matters only)

FRONT COVER

Rebecca Lane, Illawarra Branch Junior Life Saver of the Year
Mark Thompson, Illawarra Branch Life Saver of the Year

94th ANNUAL REPORT

2000/2001

members

On behalf of the Management Committee, I submit the 94th Annual Report for your consideration and adoption.

The report includes financial statements for the year ended 31 May 2001.

Peter McDonald
Secretary

15 July 2001

club objectives

(as taken from the Club Constitution)

- The study and practice of the methods of surf life saving as taught by the Surf Life Saving Association of Australia.
- To minimise the loss of life from drowning by providing efficient life saving apparatus.
- To promote demonstrations and arrange classes of instruction and to further the best interests of surf bathing and surf life saving.
- To appoint patrols to render all possible aid to those in distress.
- To organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives.
- To exercise the power to acquire, lease or hire or in any way deal with any real or personal estate.
- To act as governing body of the Junior Activities Committee and to provide assistance to that section in the field of competition and training.
- To carry on any other activity whatsoever calculated directly or indirectly to enhance further the interests of the Club.

presidents report

Season 2000/2001 was a season of ups and downs and venturing into uncharted waters. Without being to reckless, decisions to try new ventures and speak to new sponsors has opened avenues we have not had before or have not had for some years.

On the side of fundraising we had our usual Appeals Day, Anzac Day 2-Up and Car Raffle. This year we added to that a 200 Club, Surf and Turf Night, a Jumping Castle at our carnival and a donation of \$3200 from the Helensburgh Workmen's Club, made sure our funds kept ticking over. Thanks to the high profile that Simon Harris has gained for himself, some of his sponsors have shown an interest in looking after our club in a number of ventures which will be a great help in the coming season.

Again this year we successfully ran our Annual Junior/Senior Carnival and although the senior carnival was very small in numbers, it was still a great day. Next season we have applied for a Junior/Senior Carnival closer to the business end of the season, which will hopefully entice more competitors.

"Fingers Crossed"

presidents report

While on the subject of competitors, our numbers at carnivals were very low until towards the end of the season when Don Burke got together with some of the young beach competitors and trained them to some very good results at Branch and State level.

Simon Harris was again our standout competitor and his consistency was rewarded with selection in the Nutri-Grain Surf League. Fortunately there seems to be at this stage great interest in the development of competitor numbers for next season, so we look forward to that and to see the Park cap in the thick of it next season.

All that has been mentioned in this report would have been impossible without the many hours of work put in by many of our members. To name them all I would possibly leave someone out, so my thanks goes to all members for their help during the season no matter how small they may think their contribution was, without it, it would have been that bit harder to run our great club.

My thanks also goes to the Executive Committee who have been a great support to me and have all done a wonderful job. Thanks also to the Junior Activities Committee for the fine job they have been doing in developing our young members to become very able Lifesavers of the future.

In closing I would like to encourage each and every member to continue their support of this great club. With a new season almost on us it appears that next season will be a very exciting time, and look forward to seeing our club prosper, as it should.

David Anger
President

thank you

There are many people, some are Club members and some are residents and organisations in the community, who help the Surf Club in many ways.

Some have made cash donations, some donate equipment, some buy raffle tickets, and some assist at Surf Club functions.

Without your support we would not be able to fulfil our community service obligations each year.

club captains report

Another season has come to an end and I would like to take this opportunity to thank all Patrol Members for the excellent job patrolling our beach. Due to your efforts we gained 3rd Place in the BHP Patrol Competition. Well done everyone.

Unfortunately we didn't get through the season with no lives lost, with the drowning of a little 9 year old boy in the southern lagoon. I would like to say a special thanks to all those involved in the search and resuscitation attempt of the little boy. You can all hold your heads high for your efforts on that unfortunate evening.

This season 51 members gained 100% Patrol Attendance, to me the most important award in the club. Next season I would like to see that number a lot higher, because that's what we are here for, patrolling our beach.

Congratulations to Peter McDonald for winning Patrol Member of the Year for his dedication to patrols and his tireless work for the club. Well done Peter.

Congratulations also to Dave O'Grady and the other members of Patrol No.5 for winning Patrol of the Year.

Thank you to all the members who do Water Safety for the nippers every Sunday, without you people spending many hours in the water, the kids would not get in the water.

Well done to Steven McDonald and his team of Instructors for the excellent job done in training members in various awards. Also a big thanks to Graham Cook, Paul Potter, Mark Wallace and Mark Ryan for training IRB Drivers and Crew Members, something we desperately needed.

Congratulations to all competitors this season for your fine efforts at carnivals. You all did your club proud.

I would like to take this opportunity to thank Don Burke for training our small group of competitors and his effort in trying to get more members to compete. With a little luck we'll get a lot more people wearing the park colours at carnivals next season.

Well done also to Rick Dzopalic for running Sunday Pointscore and Championships.

In closing I would like to thank Grant Dezius for his help in running the club and to Lorna Dreghorn for organising all the patrol paper work and the committee for their on going support.

Mark Thompson
Club Captain

patrol statistics

- **7 ½** months of patrols.
- **87** Bronze Medallion holders undertaking patrols.
69 male + **18** female
- **99** proficient Bronze Medallion holders.
- **18** Under 16 Cadet members undertaking patrols.
12 male + **6** female
- **18** Under 16 Cadet members proficient.
- **7** Active Reserve members.
- **11** Patrols each with an average of **8** Bronze Medallion holders
+ a minimum of **one** IRB Driver and **one** ARC Holder.
- **51** members (48.5%) achieved **100% patrol attendance**

rescues

- **4** without any gear
- **2** with rescue tube
- **6** with rescue board
- **9** with IRB
- **3** with miscellaneous gear

preventive actions

chief instructors report

training and awards

A good solid season for the core Surf Life Saving Awards, ensuring that the club maintains good patrol strength throughout the coming seasons. 39 awards were gained by club members, including 21 Bronze Medallions, 8 Surf Rescue Certificates, 4 Inflatable Rescue Boat Drivers and 6 Inflatable Rescue Boat Crew Certificates. The only notable absence in the usual awards gained by club members is the Advanced Resuscitation Certificate.

There were no changes to the Training Manual used for training this season. The promised IRB Training Manual did not eventuate from Surf Life Saving Australia, hopefully it will be ready for next season.

The graph indicates the second season of declining award numbers and a below average number of awards overall, but an above average number of Bronze Medallions. The lack of ARC's and other awards such as Radio Operators Certificates and Training Officer has contributed to the fall in award numbers.

bronze medallion + surf rescue certificate

The Bronze Medallion syllabus as per the training manual includes Surf Awareness, Emergency Care, Basic First Aid, Basic Resuscitation, Resuscitation (CPR), Radio Operations, Surf Skills, Rescue Techniques, IRB Crewing, Carries & Supports and Patrols. The Surf Rescue Certificate syllabus includes Surf Awareness, Emergency Care, Basic Resuscitation, Surf Skills, Rescue Techniques, Carries & Supports and Patrols. This has not varied since last season.

New members bolstered the number of Bronze Medallions gained this season and most of these new members were over 18 years of age. It is good to see parents of our junior members becoming active in the club. The new members represented approximately 50% of the successful candidates; the remainder of the candidates have come through the juniors up into the senior club.

A slight drop off in the number of Surf Rescue Certificates due to a fewer number of juniors coming through, but this is a cyclic occurrence so the club can expect growth in Surf Rescue Certificates over the next few seasons.

Instructors came out of the woodwork this season enabling each squad to be assigned at least two instructors. Some of the instructors were old hands and some were new to the game. In all, the club had a dedicated group people working towards gaining Bronze Medallions and Surf Rescue Certificates for the club. Thanks go to Mark Wallace, Steve Connor, Daryl Turnbull, Geoff Ryder, Peter Turner, Peter McDonald, Steven McDonald, Peter O'Halloran, Ray Buchan and Shanus Lane, they put in many hours working with the candidates on all aspects of their awards.

Congratulations to all club members who gained their BM and SRC, and thank you to all club instructors who put aside one afternoon and a Sunday morning each week to train their fellow club members.

advanced resuscitation certificate

There were no Advanced Resuscitation Certificates gained by club members this season. There will be some work done to rectify this before the start of the next season.

IRB drivers + crewperson certificate

IRB Driver numbers are improving in the club again with 4 new drivers this season and 6 IRB Crewpersons. The addition of these 4 drivers brings our number of active IRB Drivers in the club to 22, allowing for at least 2 drivers per patrol for next season.

Along with the 4 drivers that gained their awards during the season about 9 other members started training at some time in the season, hopefully with the right amount of encouragement these members will finish the training and gain their award.

The IRB Driver Certificate takes about 2 months to complete with a few solid weekends of driving to gain skills and experience (rollover procedures), the real learning starts when you get your award and start driving on patrol. The IRB Driver Certificate involves crewing, patient pickups, motor maintenance, and driving. The promised release of a new IRB Training Manual for next season should see some improved training techniques introduced and make the theory more enjoyable.

I encourage all members who have just completed their Surf Rescue Certificate to think about training for their Crewperson Certificate during next season, it is a matter of spending time in the IRB and learning patient pickup techniques and general IRB operations. The award is a great step towards gaining your IRB Driver Certificate.

Thanks to the IRB Captain Graham Cook, Paul Potter and Mark Ryan for training up our new drivers and crewpersons this season.

proficiency tests

bronze medallion + surf rescue certificate

A solid season for Bronze Medallion and Surf Rescue Certificate Proficiencies with 117 members being proficient by the end of the season. The 117 were made up of 99 Bronze Medallion and 18 Surf Rescue Certificate. These numbers represent a small drop on last season, but we are still putting more than 110 patrol members on the beach.

The proficiency test this season included the Run-Swim-Run, One and Two-Person Assessment, Tube/Board/IRB Rescues, Signals and Surf Awareness.

Even Griffiths did an excellent job this season as District Supervisor, he turned up at just about every patrol early in the season to run patrol members through resuscitation section of the proficiency. Thanks also to all the club examiners and instructors who helped out on the two proficiency days.

advance resuscitation certificate

A repeat of last seasons outstanding success with ARC proficiencies with 44 members submitting themselves for the test.

As with the Bronze Medallion and Surf Rescue Certificate Proficiency, Evan Griffiths contribution was invaluable. Evan tested most of the members in conjunction with the BM/SRC resuscitation testing, this cut down on the amount of time required for training and testing. Because of Evan's involvement in the proficiency testing there was no ARC Refresher Training held this season.

IRB driver certificate

Once again all club's IRB Drivers renewed their proficiency this season, 22 drivers in total. The test days were held in conjunction with the BM/SRC Proficiency days.

conclusion

With no ARC awards done this season, there will be a push next year to catch-up with all those members who would have done this award during the season. Also any members wishing to do other awards the club has to offer, like Radio Operators Certificate, Gold Medallion, Training Officer, or even a Resuscitation Certificate should give this some thought in readiness for next season.

Thanks to all members who have contributed in any of the training for their fellow clubs members throughout the season and congratulations to all members that gained an award during the season.

IRB captains report

Firstly I would like to thank all our IRB drivers for a job well done and taking good care of our IRB's. There is a lot of money tied up in these boats and it makes it a lot easier on club finances when they are looked after so well.

We had four new drivers added to our ranks this season. Congratulations to Adam Hampson, Joe Blackwell, Murray "I can't drive an IRB" Dowling and Steve "big boy" Pearce. I would like to thank their Instructor Mark Wallace for doing such a great job. Hopefully there will be another three people gain drivers certificates early next season. This will ease the pressure on our current drivers, as our aim is to have a minimum of two drivers per patrol. So if you are interested in becoming part of the elite set, come and see us about gaining your IRB drivers or crewman's certificate.

Our IRB's are getting called upon to do rescues out of patrol hours and one rescue last year showed us that we are not equipped to do this type of operation with the gear we have on hand at our club. I am currently putting an Emergency Rescue package together consisting of life jackets, helmets, lights and torches which will be presented to the club for purchase.

Looking forward to next season

Graham Cook
IRB Captain

boat captain's report

This season saw the club battle with a shortage of sweeps. Thus giving us no option but to sit out the 2000/2001 season. While we were notably absent from competition, the club embarked on carrying out much needed repairs to the "Evan Griffiths".

The club also approached St. George College of TAFE, to assist with the restoration of the "Herb Normstrom IV" (Donated by North Cronulla SLSC 1998). A very special thank you to local, Rod Charman (Head Teacher, Vehicle Painting section) who supervised and spearheaded the restoration work carried out by the Apprentices at the college. Along with generous donations by Don Harris Plumbing Helensburgh and Dick Richards Trucks Padstow, we now have two boats ready for competition next season.

boat captain's report

With the restoration of the "Herb Normstrom IV" the club committee voted to donate our oldest boat, the "Jim Thorn" to a new club formed in Darwin. Where it will be used to train new crews, under the watchful eye of former club sweep Col "Taj" Martin.

During the year, the club subsidised three members to attend a Rowing Seminar at Taree-Old Bar SLSC. Under tuition of Olympic coach Tim McLaren, we returned home much wiser to the skills of rowing and training.

The boat section of the club has currently undertaken a rebuilding program, which has seen the formation of two Under 19 crews in training. This should see us build a solid foundation for future crews.

In closing I'd like to thank Mat White (the king of foreign orders) for all his handy work around the boats and Mark "Gator" Wallace for his constant assistance through the season.

Don Burke
Boat Captain

team managers report

The 2000/2001 season was a very successful season. Though there were only a few local carnivals, the highlight of the season was to have our first Surf League competitor in Simon Harris. He did himself and our club proud. Andrew Astill and Simon Harris were selected in the Illawarra Inter-Branch team, with Simon being given the honour of Team Captain.

Our club was well represented at the Branch Championships with many competitors gaining places. At a state level, Simon Harris won the Open Flags Championships for the third consecutive year. Other competitors who fared well were Laura Humphries – fourth in the Under 16 Flags, Paul Astill – semi-finalist Under 19 Sprint and Daniel Thompson – semi-finalist Under 19 Board Riding.

The Australian Championships saw a small contingent of competitors and many supporters travelled to Kurrawa. The supporters were not disappointed with Simon Harris bringing home silver in the Open Flags.

I would like to take this opportunity to thank Don Burke for starting to assist in training our competitors and Rick Dzopalic for giving competitors the chance to compete against their mates at Sunday Pointscores.

Finally, I would like to thank everybody who assisted me throughout the year. Congratulations to all competitors on their achievements, the fairness and sportsmanship that they displayed.

secretary's report

committee meetings

Management Committee meetings were scheduled and held monthly throughout the season, with the exception of the month of July. All meetings were conducted at the Helensburgh Workmen's Club and were regularly attended by the committee members.

One Executive Committee meeting was conducted at the Surf Club. Matters arising were reported to the following scheduled Management Committee meeting.

The Junior Activities Committee also met monthly at the Helensburgh Workmen's Club, with the Junior Activities delegates reporting regularly to the Management Committee.

The Stanwell Park Sea Eels Winter Swimming Club conducted unscheduled meetings, also at the Helensburgh Workmen's Club and matters discussed were reported to the Management Committee.

statutory requirements

The Annual Statement as required under the Associations Incorporation Act, 1984 was submitted to the Department of Fair Trading for the 1999-2000 year.

The Registrar of the Australian Business Register and Commissioner of Taxation issued the Club with an Australian Business Number (ABN) 92 267 821 862 and was effective from the 01 July 2001. Harley Dreghorn being the Public Officer.

State Government introduced the "Working With Children Check" under The Child Protection (Prohibited Employment) Act 1998 and the Commission for Children and Young People Act 1998, an important initiative for checking paid and unpaid employees, such as volunteers, working with children and young people under the age of eighteen. Evan Griffiths was appointed Child Protection Officer for the Illawarra Branch and Debra McCormack for our Club. All members who assist with this age group are required to sign a Prohibited Employment Declaration Form.

affiliation with surf life saving australia

As approved at the last Annual General Meeting, the Club applied for continuing affiliation with Surf Life Saving Australia.

asset register

The documentation and valuation of all Club equipment has been updated, but valuation of most assets still requires finalisation.

liquor licence

The Club continues to maintain a Function Licence for the sale of alcohol for consumption within the Club premises, with the licence held by Harley Dreghorn.

membership registration

A computerised database containing extensive details on all current members continues to be maintained and updated by the Club Registrar, Steven McDonald. The database can generate statistical and historical information about the Club and its members. The recording of member information in this format provides enormous benefits to the Club and is far in advance of membership recording provided by other Surf Life Saving bodies.

Membership forms are pre-printed containing information provided by members the previous season. Upgrading of membership is minimal with only medical and minor changes to be noted.

The database can be used to inform members of required proficiency's, future awards, financial status and Club history. It also provides a current mailing list and is currently being upgraded with past members information as far back as records allows. Other 10, 15 and 20 year Patrol Service Awards along with 25 and 50 Membership Awards are currently being investigated. At the end of the financial year, only 6 out of 397 member's fees remained outstanding.

communicating with members

The monthly circulation of the Park Bench, along with notices included as inserts, remains as our best form of communication with Club members. Our Publicity Officer Christine McDonald prepares the Park Bench from information provided by Club members and organises the monthly distribution.

Feedback from members is very positive and the introduction of sponsors for the Park Bench this season, has alleviated the cost of circulation to 250 individuals and families.

club activities

- Our third Debutante Ball was held at the Helensburgh Workmen's Club in August 2000.
- Members gathered at Stanwell Park to applaud Mark and Daniel Thompson, our Olympic Torch Bearers.
- Members took part in the Helensburgh Lions Club Fair Parade. Our decorated IRB and Surfboat, filled with Junior members, was awarded third prize.
- Junior/Senior Carnival held November, coordinated by Geoff Woods, greatly supported by all members.
- The Seafood Night conducted by the Stanwell Park Sea Eels Winter Swimming Club.
- Annual Breakfast on the Beach, with the "200 Club" draw, entertainment provided by Blues Band "The End". Surprise visit by Santa Claus.
- Successful Junior Presentation Day conducted at the Helensburgh Workmen's Club in April.
- Wreath laid at the Dawn Service on Anzac Day followed by the Surf Club conducting the "Two-Up" at the HWC.
- Surf + Turf Night held in April at the Surf Club. Special thanks to Bronwyn and Mark Wallace.
- Staging of the start of the first "Triple Challenge" swim rock run event in April.
- Jack McMillan put in a lot of work to revamp the "Surf Club Reunion" and was not disappointed when 60 plus members, young and old turned up at the Helensburgh Workmen's Club in May this year. Guest speaker Dinny McAuliffe reminisced and entertained the gathering. Special thanks to Jan Smith for her assistance. Two hundred dollars was raised to support the Jack Mawson First Aid Room.
- Patrol Dinner held at the Surf Club in May.
- Senior Presentation Night at the Helensburgh Workmen's Club in June.
- The "Phil Anger" Memorial Golf Day held at the Illawarra Golf Course. HWC won the day and \$370 raised went to CRAM Handicap Children through the Stanwell Park Sea Eels Winter Swimming Club.
- Sea Eels finish second overall in the South Coast Winter Swimming Championships.

membership development

Michael Astill attended the SLS NSW Leadership Camp held at Narrabeen for 15-17 year old members in April 2001.

Mark Wallace, Don Burke and Kieran Beaumont attended a Boat Seminar at Old Bar/Taree SLSC conducted by Ex-Olympian Tim McClaren in May 2001.

credits

Simon Harris continues to be our most high profile competitor and this season was rewarded with selection in the National Surf League, representing the Tasmania Torpedoes. This was a well-deserved selection for Simon, who went on to win four out of the five flag events. Simon received a lot of media attention, which he handled in a professional manner and was a great ambassador for our Club. Simon also received the Wollongong Lord Mayor's Sporting Recognition Award.

At the Branch Presentation Night, our Club was honoured with the selection of our Club Captain Mark Thompson as Illawarra Branch Life Saver of the Year. This made it a daily double for our Club, with Rebecca Lane being awarded Illawarra Branch Junior Life Saver of the Year. Daniel Robberds was a finalist in this event. Shanus Lane and Peter McDonald were finalists in the Branch Junior and Senior Volunteer of the Year. Rebecca representing the Club Rookie members on Presentation Night, had her name drawn from the hat to be awarded with a Club rescue board.

Achieved third place in the BHP Patrol Efficiency Competition.

Evan Griffiths was awarded the Australian Sports Medal, for support services to Surf Life Saving over many years. The award was presented to Evan by the Wollongong Lord Mayor, George Harrison on behalf of the Prime Minister and Governor General of Australia.

Mark and Daniel Thompson carried the Olympic Torch through Stanwell Park on Monday 11 September 2000, this was preceded by Anna White and Bob Proudfoot on Saturday 09 September at Moruya.

Commendations from the Police, Police Chaplain, Illawarra Branch Surf Life Saving and a local resident to those involved, for their exemplary conduct, bravery and skill in the service to the community, in the unfortunate drowning of the young boy in the southern lagoon, Monday 16 April 2001.

official representation at branch, state + australian level

At Branch level, Bobo White held the position of Secretary of the Board Life Saving Control, Don Harris was Competition Director, Evan Griffiths was District Supervisor, and a member of the Judiciary, Life Membership, Rules and By-Laws and Finance Committees.

Evan Griffiths, Don Harris, Bobo White, Jeff Lucke, Ron McCormack and Mark Thompson represented our Club, officiating at Branch and State level. Steven McDonald at State level and Don Harris, Bobo White and Jeff Lucke at Australian level.

club house

Wollongong City Council replaced windows on the southern side of the Clubhouse on all three levels along with doors to the showers and patrol room. The roller doors were also replaced and the car park was resheeted. Whilst we appreciate the improvements, Council is still on notice to properly seal the car park. The addition of another container for Council use did not enhance the Club surroundings. The Club will be negotiating with the Council for the addition of two bays, so that the Junior Section and Council gear can be adequately stored within the Club premises.

Half of the profit raised from refreshment sales has been allocated to the special Building Account fund. At the end of the year, with the transfer of a further Three Thousand Two Hundred Dollars (\$3,200.00) representing half of this year's profit, the fund now stands at Seventeen Thousand Four Hundred Dollars (\$17,400.00).

junior group report

debutante ball

The Club's third Debutante Ball was held at the Helensburgh Workmen's Club on Saturday 19 August 2000. Seven debutantes and their partners were introduced to the Guest of Honour - Mr Evan Griffiths, Life Member of NSW Junior, Illawarra Branch and Helensburgh Stanwell Park Surf Life Saving Club and his wife Marion, and official guests, Mr Ian McManus MP and his wife Dot, Clare and Bob Proudfoot and Steven and Jodie McDonald.

Lynn Howarth again coordinated the night and is to be commended for her efforts.

rookie program

Once again sponsored by Westfields, our Club benefited from the supply of patrol uniforms to 6 new patrolling members, who gained their Surf Rescue Certificate. Thanks to Jeff Lucke who coordinated the Rookies' Scheme. Rebecca Lane represented our Rookies at the Branch Presentation night.

conclusion

Being Secretary for the first year has given me an insight into the workings of the Club and the Surf Life Saving Association. It has also confirmed to me the amount of work our Ex Secretary, Harley Dreghorn accomplished over many years.

Not everything that I wished to accomplish in the first year has eventuated, I did concentrate on communicating with members and passing on the vast amount of information that continually arrives by mail, telephone or from meetings.

I am heartened by the amount of input a large number of members contribute and the support I have been given by the committee members.

Peter McDonald
Secretary

junior activities chairpersons report

This is the final junior activities report that I will be making, it is also one that is tinged with sadness.

I have been fortunate to have been your Junior Chairperson over the last four years. During this time I have seen some excellent efforts from our juniors, which has pleased us all in the club.

My working relationship with Mark and Dave has been one of friendship as well as respect. We have, I believe, the best hard working club in Australia. To Peter Mac, thank you for all your help you have given me and Deb.

I've been lucky to have had a great team of parents that have supported me during my time as Chairperson.

I've also had great memories at our State Championships from our medallists, to our March Past Team you have all represented your club with pride, and who could forget Paul Bedwell being named Junior Life Saver of New South Wales at Thirroul State Titles.

To my hard working committees, thank you for all your support. It's been great.

Thank you all.

Ron McCormack

stanwell park sea eels winter swimming club

captains report

It was our twelfth year this season and once again we had a great season, culminating in our annual pilgrimage to the Australian Titles held at Banora Point. Our touring team lived up to its normal standard with Shit Scampi Scratch leading our young members on some good drinking sessions. Even though the Australian swimming was good, we could not say the same about the beer, food and venue afterwards. Let's hope this year will be a lot more enjoyable. Thanks once again to our "El Presidente" John Murphy, also a big thanks to Peter Mac and "The Beancounter"? Uncle Festa Turner. Hoping once again to enjoy the comradeship in the water and especially back at the bar.

secretaries report

Under the new leadership of President John Murphy and guided by Captain Paul Robberds in his fifth year of office, fifty seven members signed up in this our twelfth season to contest the winter elements and dive into Coalcliff pool each Sunday morning for four months. The season was short because of the Olympic Games and slightly down in numbers, but definitely not enthusiasm. Rod Hampson, because of work commitments could not continue his position as President, but will be remembered for his four years of good service.

Our committee members continue to carry out their duties diligently, worthy of mention is Treasurer Peter Turner and Finesmaster Paul Robberds, who have a handy knack of extracting money from people. Steven McDonald, Peter O'Halloran and Rob Pugh for the smooth running of the pointscore and championships. Our honest judges, timekeepers and starters who conducted themselves in a professional manner. Rob Pugh attended the SCWSA meetings and kept us well informed. Special thanks to Ernie Valbusa for his continued assistance.

Special thanks once again to Peter and Margaret Hunt for conducting the lotto and raffles which generated some thirteen hundred dollars (\$1,300). Peter and Marg also assisted with many social functions.

Thanks to our ongoing sponsors Rick Fleming Cakes Thirroul, Ron Kissell's Family Meats Heathcote, HWC and members, Scarborough Hotel, Sam's Fruit and Veges Thirroul, Alan Fisher Leisure Coast Trophies, TAB and Hitachi. Certificates of appreciation were presented to Ron Kissell, Rick Fleming and Hitachi.

Our friends from CRAM House shared a day with us. This was their second visit and the members made sure it would be a memorable day for all involved. Dave Winner and Eddie Melinz provided musical entertainment. Carly from CRAM House stole the show when she took centre stage with singing and the guitar. Donations to assist the visit were made by Alan Fisher, John Murphy and Peter McDonald.

A VCR, donated by Hitachi through Peter Lehane of Coral Air was given to CRAM House for use by Carly. Thanks to Phil Kelly who arranged dentistry for the children of CRAM House.

The Sea Eels conducted the "Phil Anger" Memorial Golf Day, Surf Club versus HWC. The HWC were outright winners by one point on a countback. Four Hundred and Eighty Dollars (\$485) was raised and donated to CRAM House. Sixty-two players enjoyed the day's competition.

Coalcliff Surf Club hosted two visits by the Sea Eels including the very popular "Bring a Friend" day. This season out of 57 members we could only manage to produce one friend. Our ongoing association with Coalcliff is appreciated.

Our annual swim with the Bulli Sea Lions to contest the "Jimmy Johns" Trophy was an enjoyable day out for the whole club. Bulli were the victors this time, they had obviously been in training. The bar tab our club left behind would have removed the smile from their faces and brought them back to reality.

The Seafood Night was again an instant sellout, attempts to restrict numbers to eighty were in vain. The food was absolutely delightful with the emphasis being put on quality, not quantity. Thanks to a huge effort by many, especially Bill Heiler, Paul Robberds and our young band of helpers, the evening was a success.

Thank you to Sandra and Keith Newell who again opened their doors to host the clubs annual Xmas drink.

The Sea Eels finished third overall and second in the handicap club pointscore at the SCWSA Championships held at Thirroul pool and hosted by the Austinmer Otters. Twenty-eight members competed with many finalists. Best results were new member Mark Woods 2nd in O/30s, Steven McDonald 3rd in Open, 1st in 4 Man Nominated Time Relay, 2nd A and C Grade Relay, 3rd President/Captain Relay. Last in vacating the dinner venue, once again.

Fourteen of our members contested the Australian Championships at Banora Point, hosted by the Tweed Heads Aquaducks. The weather and the venue were perfect, but the dinner/presentation will not go down as one of our most memorable. In the pool our best result was a sixth in the Open Relay Final, it was good to see other clubs following our example of having a go in this event, despite the odds against them. A very enjoyable trip, many stories all left behind in Tweed Heads.

Donations were made to the following: -

Alicia McCormack to assist her in overseas tours playing Water Polo for Australia.

Camp Quality through HWC Social Golf Club Charity Day.
